

Owasso Community Theatre Company would like to thank all our sponsors and express our hope that you use their services and support

their businesses just as they have supported the Arts in our Community. We are very proud to be part of such an amazing community collaboration that included Bailey Ranch Golf Course and Grill as well as each volunteer, spouse, and family member who truly made this show happen. We look forward to many more amazing events in the future that are as fun and exciting as this has been.

SLIM CHICKENS®

An original Murder Mystery Dinner Show

Written by Ashley Searcy

Directed by Brian Grace

Welcome to the Owasso Country Club where members compete for social status and the staff works hard at not working hard. Watch events unfold as a crime occurs and everyone is a suspect. Could the murderer be the kid from the wrong side of the tracks? The daughter of an overbearing father? The staff that hates the social elite? No one is above suspicion.

Your help is needed to solve this mystery so **pay attention, gather clues, and ask questions.** The guilty party is in the room with you! At the end of the evening, you will submit your guess of *whodunit*. If you are correct, an exciting reward may be coming your way!

"Bringing the community together through a celebration of the Arts."
