THE CAST

Alex Wilbins/ *Blake & Roberts*- is pursuing a bachelor's degree in Communications at Rogers State University. He has pursued acting in the past but is currently learning a trade in the TV industry. This is his second performance with the Owasso Community Theater.

Gordon Heard/ *Greenbeard/Dad*-From 1986 to 2006, Gordon was involved in University of Oklahoma's Medieval Faire as Royalty, Pageantry, and Various characters. From 2004 to 2009, he was part of the Living Lord's Supper, portraying Simon the Zealot. He has also performed in the OCTC production of Oliver Twist as Fagin and in Sherlock Holmes as the Butler. While performing with the Main Street Radio Players he portrayed characters including Greenbeard and Dad. He has also done Voice acting on productions at Tulsa Tech and in 2016, he worked as Assistant Director of "The Best Christmas Pageant Ever" at FUMC Owasso. Gordon has been married to Janice Heard for 30 years (she's put up with him). He attends FUMC Owasso, where he is a certified Lay Servant, serves leading a youth bible study and as sunday school teacher, and he helps lead in the Recovery Ministry. Gordon holds a B. S. in Chemistry from OU and is employed as a Chemist, anodizer, repairman, sales, and whatever else he needs to do at Century Plating Inc.

Kaitie Bryan/ *Martin, Mom, Grandma*- Kaitie is excited to be in her first production with OCTC. She is from Oologah, Ok and graduated from RSU with a BFA in Fine Arts. She enjoys both acting onstage and running with the crew behind the scenes. Recent productions include: running crew for Theater Tulsa's American Idiot & Ragtime, working as Stage Manager for Elf Jr, Joseph & the Technicolor Dreamcoat, and Cinderella Jr. She performed as a Cats actress at Psychopath Haunt, and at Theater Tulsa -Fiddler on the Roof, Miss Saigon, and Sound Of Music. In her spare time Kaitie enjoys reading and spending time with her niece and nephew. She also likes baking and making crafts. Someday she hopes to have some free time to travel the world and see many of the places she has read and studied about.

Kaitlyn Sunshine Beard/ *Narrator for Greenbeard, Mary, & Quinn*- Kaitlyn is overjoyed to be joining OCTC for this Holiday Show! She graduated earlier this year from Oklahoma State University, and is a scientist with a dramatic flare. This is Kaitlyn's first show with the company, but she has performed in such shows as Geoffrey Chaucer's Flying Circus, and co-written and performed in shows such as Plays Within a Play. She hopes that you have a wonderful time!

Ken Thompson/ *Gree-Tar, Brent, Krampus*- Ken has not been in any productions since college and is very excited for the opportunity to appear in this production. He lives and works in the Tulsa area with his wife, Jennifer, and his daughters Leah and Amanda.

Mary Ann VanCuren/ *Marcia, Colonel Chaos, Bonnie, Perchta, Goldie* - Mary Ann is looking forward to her first activity with OCTC. Previously, she has been a part of Seven Lively Arts Main Street Radio Players. She wants you to sit back and pretend you and your family are gathered around the radio in the evening, being entertained by the varied stories and their quirky characters.

THE CAST CONT'D

Sloopy McCoy/ Mac, Billy Boy -Sloopy McCoy is sent to us from a distant place so far away that you would lose interest while trying to figure out if it even exists. She has not been acting very long; she just watches a lot of Netflix and started acting by photosynthesis. She loves cartoons more than the internet, but Cocoa Pebbles more than cartoons (well it's a tie). She is proud to be working with the wonderful people of OCTC for they work hard on every production and are just generally really really good people. She hopes you will enjoy the show, laugh, forget your troubles for a while, and vote in local elections. Sloopy has appeared in American Theatre Co's "She Kills Monsters", OCTC "Oliver Twist" and has had numerous appearances on the talk show she pretends to have in her car while she drives.

Tim Cox/ Beldon, Blinky, Captain Starblaster, Jordan, Bucephalus/Buck- This is Tim Cox's first production with OCTC, but he has had the pleasure of playing these and several other characters previously with Seven Lively Arts, under the direction of Nathan Christensen. Tim has performed numerous times as a character actor on stage, as a puppeteer behind the stage, and as a voice actor in the studio. He enjoys writing, and has penned many scripts for himself and others. Tim has also had the opportunity to co-create and portray the crazy villain "Dr. Kaboom" in the movie "RSTC: Reserve Spy Training Corps." As a self-described "real life cartoon," this is all pretty normal for him. He sincerely hopes you enjoy the voices inside his head as much as he does.

Tim D. Turner/ Frank, Nick, Narrator-Tim has worked in the industry in theatre, film, television and radio for almost forty years. From the stage he has performed in a variety of venues including musical theatre, musical reviews, drama and comedy, opera, dinner theatre, night club, touring troupe and theme park. He has directed, designed and built productions, and performed numerous roles. He has scripted, produced, been talent and voice-over for numerous television, film and radio projects. He has performed regularly with the Tulsa Opera, and Signature Symphony and Chorale. He also performs frequently at private parties and community events throughout the state, and is the character voice for several radio campaigns heard in the Oklahoma City and Tulsa markets. Tim has a B.S. in Communications from Oral Roberts University and a M.A. in Organizational Communication from Regent University. He is currently faculty at Rogers State University teaching Theatre and Communication.

Tom Auriliol Sound Effects- This is Tom's second attempt with Owasso Community Theatre. He appeared as Tom Lamont in A Bad Year For Tomatoes. He is an aircraft mechanic and his interests are playing the ukulele, ice hockey, and umpiring girl's fastpitch softball. Tom would like to thank his lovely wife Penni, his beautiful daughters. and OCTC and also wish everyone a very merry Christmas.

THE CAST CONT'D

Tricia Jumonville/ *Narrator and Miriam*-Theater is a wonderful outlet that I've used to step out of my comfort zone. From serving on the Owasso Community Theatre board member as Front of House volunteer to testing my theatrical chops in the Holiday show, I hope you enjoy this production as much as I do. "All the world's a stage, and all the men and women merely players; they have their exits and their entrances, and one man in his time plays many parts..." - William Shakespeare

Kelli McCall/ *Jacobs in Starblaster*- Kelli is excited to be performing in this production with the Owasso Community Theater Company. She has been involved with OCTC for four years. She has extensive experience working behind the scenes as Stage Manager and assisting with the technical crews. She really hopes you enjoy this show!
