ACT ONE SCENE 1

Early morning. A giant cardboard box that serves as a make-shift house. MOTHER SINCLAIR is in the lying on HER back in the box snoring . ATLANTIS, stares silently out the window. MOTHER SINCLAIR wakes up after a bug flies in her mouth.

MOTHER SINCLAIR. You need to shut up !! Don't me use my stick on your pretty head! (*SHE falls back to sleep after taking a big drink from a bottle in a bag.*)

ATLANTIS. Summer is nearly over and we didn't go anywhere. All we ever do is sit in this hot van all day outside of father's workplace and wait for him to finish working, and by that time we're all asleep. I wish I could just run away. I hate it here. (*ATLANTIS climbs out of the box and stands looking up at the sky.*)

Star light, star bright,
First star I see tonight,
I wish I may, I wish I might,
Have this wish I wish tonight.

(SHE returns to the box, covers up, and goes to sleep until a young GIRL appears with a balloon. ATLANTIS wakes up in the box. It is later in the afternoon. SHE sees a GIRL outside the van with a giant pink balloon. SHE gets out of the box careful and quietly to investigate further and not wake her MOTHER.)

GIRL. Stupid balloon!(*Hitting the balloon repeatedly.*)

ATLANTIS. Stop hitting that balloon!

GIRL. You're stupid! (*Laughing at ATLANTIS, still hitting the balloon.*)

ATLANTIS. I'm warning you, STOP HITTING IT! (*The GIRL laughs and continues to hit the pink balloon harder. ATLANTIS begins to shake on the ground as the GIRL backs up. The lights go dark and then flash. When they come back up, two creatures named RAGE and TEMPER help ATLANTIS up. They are dressed in black and look a lot like ATLANTIS. One has a giant white "R" on the chest the other a giant white "T". Screaming in anger*) I SAID STOP IT!

GIRL. (*Still laughing and hitting the pink balloon even harder.*) You going to cry, you big baby?

ATLANTIS/RAGE/TEMPER. Why you little...(ATLANTIS growls an evil growl with RAGE and TEMPER.)

GIRL. Mommy!!!! (*Scared and running away as RAGE and TEMPER chase HER offstage. SHE lets go of the pink balloon.*)

ATLANTIS. (*ATLANTIS grabs the balloon before it can float away.*) Gotcha! (*She looks at the balloon closely. ATLANTIS grabs the balloon before it can float away.*)

Gotcha!(*She looks at the balloon closely.*)Did you just smile at me?

MS. POPPIT. Hold on to me!

ATLANTIS. Will this tiny string break?

MS. POPPIT. You are fine Princess, just don't let go.

ATLANTIS. (*Confused.*)Princess? Don't worry, I won't!

MS. POPPIT. We have to get to the sun before it sets to get where we are going. Hold on! (*Just then MOTHER SINCLAIR comes out of the box screaming, "Come back here!"*)

ATLANTIS. Wait! How do we get there?

MS. POPPIT. You fly you there of course silly! Here we go!!! (*ATLANTIS turns to MS. POPPIT in fear as her feet start to lift off the ground. Light fade to black.*)

ACT 1 SCENE 2

Lights come up and ATLANTIS is still flying in the air holding onto MS.POPPIT'S string.

ATLANTIS. Where are we going?

MS. POPPIT. We are heading to the dusk; it's our only doorway to get to where we are going. If the sun goes down before we get there we will not be able to get in.

ATLANTIS. What's your name?

MS.POPPIT. Oh, I'm sorry. Ms. Poppit.

ATLANTIS. I don't understand how all this is happening.

MS.POPPIT. We are just crossing over where the sun sets and soon we will be in a faraway land that no one knows about. It is a magical place called The Enchanted Lands. It is where I'm from and I was sent to find you and bring you back.

ATLANTIS. Why me?

MS. POPPIT. Well, to tell you the truth you were not easy to find. We looked for you for many years. We thought at times we had found you but it always turned out to be a disappointment and the wrong person. It's not every day you go looking for a lost princess!

ATLANTIS. Lost princess? You think I'm a lost princess? What the.....!

MS. POPPIT. (*Laughing.*) You will learn everything in time, now hold on, we're here!

ATLANTIS. What is this place? (*MS.POPPIT and ATLANTIS land in a huge empty burned crater.*) I smell something burning.

MS. POPPIT. We are going into Deep Earth into this crater where we all hide.

ATLANTIS. What is Deep Earth?

MS. POPPIT. (*Laughing*) Green Earth is where humans live and this is Deep Earth where the enchanted ones live, you'll see. (*When ATLANTIS and MS.POPPIT reach*

the ground SHE sees five figures standing in front of HER. SHE waves to THEM nervously.) Don't be afraid of them Princess, they have been waiting for your arrival for many years. Okay, all of you in a line. Introductions please for Princess Atlantis of the Enchanted Lands!! *(A small feisty fairy flies around ATLANTIS inspecting HER along with the others who crowd around HER.)*

EVERYONE. How do we know she's the true princess? How do we know you found the right girl?

MS.POPPIT. It took many years to find her but I believe the true Princess of the Enchanted Lands has finally been found and has come home to save us all.

EVERYONE. *(Folding HER arms in denial.)* Humph! Well she's pretty like a princess, at least not as pretty as me!

ATLANTIS. You think so huh? I think I am!

EVERYONE. NO-YOU'RE-NOT!

ATLANTIS. *(Getting nose to nose with EVERYONE.)* YES -I- AM! *(Hands on HER hips very confrontational)* Aren't fairies supposed to be really, really tiny? Why are you normal size like me?

EVERYONE. None of your bee's wax! *(They both start to argue with each other.)*

MS. POPPIT. EVERYONE STOP IT!

ATLANTIS. I'm sorry, she started it!

MS. POPPIT. I didn't mean for you to stop Princess. The fairy you argue with is known as Everyone, the fairy. That's her name.

ATLANTIS. *(Laughing.)* That's a funny name!

EVERYONE. Yeah and Atlantis is much better? Named after a lost city! Give me a break! *(SHE bursts into laughter which makes ATLANTIS very angry. The lights go dark and flash. RAGE and TEMPER re-appear on both sides of ATLANTIS and growl at EVERYONE. SHE retreats in fear of HER life and changes HER tune.)* Great name! Atlantis! Princess Atlantis that is.....love-it!

MS. POPPIT. Now do you all believe we have a Princess in our midst. She has the power we need to help us.*(ATLANTIS cannot control HER RAGE and TEMPER as THEY all three continue to scream and cry.)* Now see what you did! It's okay, Princess, no need to be scared, she's sorry for saying that, say you're sorry to the princess, Everyone!

EVERYONE. *(Crossing her arms, putting her head up in the air and putting her pack to everyone in defiance)* Harrumph!

MS. POPPIT. Everyone!

EVERYONE. *(Speaking in a deep, inaudible voice.)* Sorry!

MS.POPPIT. Give the Princess a little huggy now so we can all be friends. *(EVERYONE reluctantly hugs ATLANTIS and TEMPER and RAGE disappear.)* I'm still prettier than her! *(EVERYONE flies off.)*

MS. POPPIT. I will finish introducing the rest of your new enchanted friends to you Princess. This beautiful, pink unicorn is named Pink. She's the fastest unicorn on the planet!

PINK. Hello Princess!

MS.POPPIT. (*Laughing with PINK.*) Got to watch her, she's a quick one! The person next to her is Smoke. He's a tiny dragon and he's still trying to figure out how to breathe fire. (*SMOKE tries to impress ATLANTIS with a fireball, but only a little puff of smoke comes out, HE slumps away embarrassed.*)

EVERYONE. Pink and Smoke are boyfriend and girlfriend. They're in loooove! (*THEY all giggle.*)

PINK. STOP IT EVERYONE! (*SMOKE makes a sound in anger.*)

MS. POPPIT. Next is Joe, the gentle giant (*Joe giggles. He is not so bright.*)

JOE. Hello pretty Princess.

EVERYONE. Joe's not so bright and refers to himself in third person all the time.

ATLANTIS. (*Whispering to MS. POPPIT.*) Um...but, he's not really a giant, he's um...average size.

MS.POPPIT. Well ...Joe doesn't have much confidence in himself so he's an average size giant, he just never grew. Only giants that are brave grow to gargantuan sizes.

JOE. (*Screaming and crying after falling down trying to give ATLANTIS a hug.*)

Joe wants his Mommy!!! (*MS.POPPIT gives JOE a hug and calms him down.*)

ATLANTIS. Is he going to be okay?

MS.POPPIT. Yes, he's just a big baby.

JOE. I'm a big baby!

MS. POPPIT. This is Wedgy. He spies for the Spider King. Trying to find out where Edward hid the Sword of Light.

EVERYONE. He cannot be trusted!

WEDGY. I can be trusted!

EVERYONE. CAN NOT!

WEDGY. CAN SO!

ATLANTIS. Spider King? Sword of light?

(*THEY both continue to argue until MS. POPPIT separates THEM.*)

MS. POPPIT. Enough you two. All will be explained in due time but first let us all welcome home our Princess and celebrate her arrival!

EVERYONE. Big deal! Who cares! (*THEY all join in and circle around ATLANTIS and dance with HER in celebration except for EVERYONE, the fairy, who refuses to participate in dancing and watches defiantly from a distance.*) Harrumph! (*Light's fade.*)

ACT 1 SCENE 3

The lights fade up and The ENCHANTED ONES are sitting in a circle around MS.POPPIT.

ATLANTIS. Why are we hiding down in this crater? What happened to the forest above? Why is all the land burned? Where is everyone else?

EVERYONE. Full of questions isn't the pretty princess? (*ATLANTIS and EVERYONE make faces at each other.*)

MS.POPPIT. The princess has every right to ask what has happened, for it is the sole purpose of why she is here.

EVERYONE. I don't like her!

ATLANTIS. I heard that!

MS. POPPIT. Let's all of us sit around the fire and I'll tell Atlantis how the Enchanted Lands turned into the Battle Lands.

JOE. Tell her about King Edward! King Edward! Tell her about him... Joe know all about him.

WEDGY. Don't leave out the part about the Spider King, Queen Lake, the python snake, or about their armies of ugly trolls!(*WEDGY on the instruction of EVERYONE, the fairy, sneaks up again behind ATLANTIS and scares HER. SHE blasts HIM across the crater as great streams of thunderbolts come from HER hands.*)

ATLANTIS. Oh my goodness, I am so sorry!

WEDGY. (*Everyone rolls on the ground laughing at WEDGY.*) She will pay for that!

MS.POPPIT. You have enchanted power which proves without a doubt you are the Princess of the Enchanted Lands. (*PINK, SMOKE, EVERYONE and JOE stand in silence as they look at ATLANTIS. One by one THEY bow to HER. Except JOE who bows backwards. EVERYONE just glares at ATLANTIS.*)

ATLANTIS. Enchanted powers? You mean superpowers like a superhero?

AWESOME! (*SHE becomes very giddy and started to blast HER powers around the crater as the OTHERS take cover.*)

EVERYONE. Whoa! Get a handle on her! Before she blows our cover and the trolls find out we are here!

MS.POPPIT. Princess, you must save your powers for when they are needed. You must not use them until you are trained. Come sit over here by me so I can explain to you how this world you now know of came to be.

EVERYONE. I have enchanted SUPERPOWERS, no one gushes over them! Geez! (*SHE tries to blast something with HER hand and a fizzle is heard.*) GREAT!

WEDGY. (*Rubbing HIS bottom.*) Yours are nothing like hers, trust me!

MS. POPPIT. Listen....(As *MS.POPPIT* tells the story the lights change during the following song sung by *HOLLOW*, an enchanted tree. The scene is acted out throughout the instrumental song. *KING GLORIOUS* finds a golden acorn that drops from the sky and planting it in the ground. The lights fade up and down and when the lights come back up the acorn is now a young tree. *KING GLORIOUS* plays with the tree. The lights fade down and up again and now the tree is fully grown and named *HOLLOW*. The tree is enchanted and can talk. *KING GLORIOUS* and *HOLLOW* become very good friends and spend a lot of time together laughing. *Any instrumental music can be used for this scene. A young woman, *MARIE SAVIOR* passes by *KING GLORIOUS* and *HOLLOW* and *HER* beauty catches the eye of *KING GLORIOUS* and *HE* is instantly in love with *HER* and *HOLLOW* is sad. *THEY* get married and soon *SHE* has a child, *EDWARD*. *KING GLORIOUS* is now spending more time with his family and less with *HOLLOW* who is now jealous. As the *QUEEN MARIE* is pregnant with *HER* second child, *JEFFREY*, *HOLLOW* thinks bad thoughts about the *QUEEN MARIE* and wishes *HER* dead. The stage turns dark and thunder and lightning are heard and seen and a small baby python snake crawls out of *HOLLOW*. *QUEEN MARIE* dies giving birth to *KING GLORIOUS* second son, *JEFFREY*. *HOLLOW* is filled with grief and the *KING GLORIOUS* buries her at the foot of *HOLLOW* at *HIS* request. The two boys, *EDWARD* and *JEFFREY* grow up and *KING GLORIOUS* teaches *THEM* sword play. *KING GLORIOUS* favors *EDWARD* more than *JEFFREY*. *HE* blames the younger son for the death of *HIS* wife in childbirth. The two boys grow up and *EDWARD* presents a shiny new magical sword, *The Sword of Light* to his father that he made. *KING GLORIOUS* promises *EDWARD* the throne over *JEFFREY* which the python snake, *LAKE* now fully grown overhears this proclamation by *KING GLORIOUS*. *SHE* approaches *JEFFREY* and tells *HIM* of *HIS* father's plan. The snake promises *JEFFREY* the crown if *HE* will make *HER* his queen. *HE* agrees and *HE* steals his father's new sword and cuts down *HOLLOW* which hurts his father so much *HE* dies. The sword turns *JEFFREY* into a giant tarantula spider as punishment for using it for evil. *LAKE* becomes the queen along with *JEFFREY* who is now the *SPIDER KING*. Their army of trolls cut down all the enchanted tree's and wipe out all the enchanted creatures. *EDWARD* makes another magical sword and buries it deep within the Earth before he is caught and imprisoned by *THE SPIDER KING*. *QUEEN LAKE* takes a very pregnant *WINONA* and locks her up far away from *EDWARD* and takes *HER* baby to Green Earth. The original *Sword of Light* becomes the *Sword of Darkness* and the *Enchanted Lands* are now the *Battle Lands* ruled by *QUEEN LAKE* and the *SPIDER KING*. The lights fade up on *EDWARD* in his cell as *HE* looks at a picture of his wife, *WINONA*. The action resumes in the crater with the *ENCHANTED ONES*.)

ATLANTIS. I don't understand what this has to do with me.

EVERYONE. Don't you get it, silly? You're Edward's daughter that his wife, Winona, gave birth to. Rumor has it that the Spider King sent you to Green Earth after you were born thinking we would never find you, but lucky for us, we did.

(Sarcastic) Woopie!

ATLANTIS. I'm Edward's daughter? That can't be, my mother and father are the Sinclair's.

PINK. I believe Edward and his wife; Winona are your birth parents. The Spider King had Queen Lake switch babies at your birth. They took the child born to the Sinclair's and switched it out, replacing him with you.

ATLANTIS. Where's my birth mother, Winona, what did the Spider King do with her?

MS.POPPIT. Sadly no one knows, some say he sent her to the Dark Place.

ATLANTIS. We have to go find her! Where is this Dark Place?

MS.POPPIT. I'll explain the Dark Place later, first things first, Princess, we must go rescue your father, Edward from the castle.

PINK. And then we go and find the sword of light! *(SMOKE blows a kiss to PINK and she catches it making EVERYONE pretend to vomit when she sees it.)*

JOE. Then go get yummy doughnuts!

EVERYONE. No Joe, then we go defeat The Spider King and Queen Lake. We know, we know, we go over this plan ten times a day, but it's always a waste of time because we can't find The Sword of Light. The Spider King and Queen Lake send trolls to dig for it every day for years. Only Edward knows where it is.

ATLANTIS. What does this Spider King and Queen Lake look like?

QUEEN LAKE *(A giant yellow python snake with fangs and arms appears on top of the crater looking down with an army of TROLLS. When SHE talks SHE extends her "S's".)* Well little girl... Let me introduce you to the King of The Battle Lands. May I present to you, The Spider King! And of course from my appearance I am Queen Lake, the python snake.*(JOE tries to run but trips. SMOKE and PINK hold each other. Wedgy moves over to QUEEN LAKE)* Oh, no, no, no, no. No need to try to escape, as you see, you're surrounded by an army of trolls! Where's the sword of light? I want it found, NOW! Start digging my trolls.

MS.POPPIT. There is only one way you found us, Wedgy! How could you?

EVERYONE. For the one millionth time, we don't have the stupid sword; Edward didn't tell us where he hid it. I told you he was a spy and could NOT be trusted!

WEDGY. I'm sorry, but do you know what would have happened to me if I didn't tell them where you were? **THE SPIDER KING.** And who do we have here? A visitor? *(The SPIDER KING, a hairy tarantula with huge fangs and sharp claws as HE circles around the ENCHANTED ONES and ATLANTIS with QUEEN LAKE.*

RAGE and TEMPER come out of ATLANTIS and SHE grows more furious that HER friends are scared and in danger.) **EVERYONE.** Now you two are in for it. She's going to kick-your-butt! Ha!

(ATLANTIS with RAGE and TEMPER are ready to attack but MS.POPPIT wraps HER string around ATLANTIS and flies away quickly.)

SPIDER KING. Well....princess, very Interesting, very interesting indeed. *(THE TROLLS advance on the ENCHANTED ONES as QUEEN LAKE laughs as the lights fade.)*

ACT 1 SCENE 4

MS. POPPIT and ATLANTIS land in another part of the crater.

ATLANTIS. *(Very angry.)* Why did you take me away from there? I wanted to save my new friends.

MS.POPPIT. You're not ready to battle the likes of the Spider King or Queen Lake yet princess, we must first train you. We will rescue Edward and the rest of our friends only when we are ready. Train? Me ?

MS. POPPIT. Yes, now that you're in the Enchanted Lands on Deep Earth you have enchanted powers and we must teach you how to use them.

ATLANTIS. I better get back home, if I don't my mother and father will be furious and I will be in big trouble.

MS. POPPIT. You can relax about that. You really have only been gone for a few minutes. See time on Deep Earth is one day to every Green Earth minute. We'll spend a few days training you and then get you back home while I plan the rescue of Edward and our friends.

ATLANTIS. Where do we begin?

MS. POPPIT. Well since you are a princess, we have to get you out of your Pajama's and into the right clothes. *(SHE puts a beautiful, pink princess dress on ATLANTIS along with a crown and high heels.)*

ATLANTIS. High heels! I love high heels.

MS.POPPIT. Now that you are dressed correctly, let's begin your training. Now the most important thing to remember with your enchanted powers is when you focus and concentrate and if you believe, anything is possible! Let's begin.*(As MS. POPPIT sing the song THEY work on ATLANTIS's enchanted powers. The first enchanted power MS.POPPIT shows ATLANTIS is the ability for HER to throw electricity bolts from HER hands. ATLANTIS tries to blast a pile of boulders but SHE blasts all over the place. MS.POPPIT gets HER to focus and concentrate as when SHE tries again HER blasts are contained to the object SHE'S blasting. Again fun*

instrumental music can be used here while ATLANTIS trains.)

ATLANTIS. *(Trying to fly but having a hard time at it as she keeps falling down.)*
I can't get off the ground. *(MS.POPPIT teaches ATLANTIS how to bring up a force field to protect HER. ATLANTIS yells "FORCE FIELD" and a blue see thru force field protects HER when MS.POPPIT throws a rock at HER. MS.POPPIT shows HER the ability to freeze people, run superfast, disappearing by clapping HER hands, and the ability to talk to birds .The last enchanted power SHE shows ATLANTIS is the ability to fly. SHE takes ATLANTIS to a high cliff and tells HER to jump off and believe SHE can fly by saying, "I can fly!" SHE tries and falls fast to the ground below but lands on MS.POPPIT who uses HER body to cushion the blow.)*

MS.POPPIT.*(Laughing.)* We'll come back to flying later.

ATLANTIS. *(Laughing.)*We'll come back to flying later. *(Black out.)*

ACT 1 SCENE 5

EDWARD sits in a cell under the castle looking a picture of his wife, WINONA. As instrumental music plays in the background. the action plays in front of him as HE relives the memories of HOLLOW and his father's death, JEFFREY'S coronation to the throne with QUEEN LAKE, and HIS wife, WINONA being taken away with their child and HIS imprisonment. He sits in his cell and starts to cry. Blackout.

ACT 1 SCENE 6

At the castle, Kingdom, deep in the dungeon, JOE is sleeping, curled up in a corner. PINK, with HER legs tied up, is on the floor next to HIM. SMOKE, sits on a bench with a muzzle around HIS mouth, and EVERYONE just sits against a prison bar of the dungeon door with HER arms crossed. Guarding their cell is a LAUGHING FROG who is sleeping.

EVERYONE. *(Pacing in her cell.)* Some Princess we found! *(A female TROLL GUARD enters with supper.)*

BEAUTIFUL. *(Whispering.)* Psst! Be quiet and let's get you all out of here but let's not wake the laughing frog.

EVERYONE. Who are you?!

BEAUTIFUL. *(Whispering.)* Shhhhhhh I'm a friend, you must trust me! I'm here to help you escape! *(SHE gives EVERYONE food through the bars for the four of THEM.)*

EVERYONE. *(Whispering.)*No way! You're a troll, you're probably a spy like Wedgy and you want to know about our plan to escape so you can go tell the Spider

King! Plus anyone knows trolls eat fairies!

BEAUTIFUL. *(Whispering)* My name is Beautiful, and you must believe I am here to help you. I can't go into how I got here, but I can tell you the true king of The Enchanted Lands, Edward, who you seek, is right below you in a cell deep in the ground.

EVERYONE. You mean to say that we are directly on top of him?

BEAUTIFUL. Yes, the Spider King has him hidden deep below the dungeon in a secret passageway, no one would know to look for him there. *(JOE wakes up screaming.)* Joe want food! *(HE runs to the tray of food and knocks it out of BEAUTIFUL'S hands with a loud clang that wakes all of THEM up, including the LAUGHING FROG guard.)*

LAUGHING FROG. What are you doing there troll? I'm telling Queen Lake if you're talking to the prisoners.

BEAUTIFUL. Talking to these prisoners? Don't make me laugh.

LAUGHING FROG. I'm the one who is supposed to be laughing if they try to escape. *(The LAUGHING FROG looks down and a sharp object glistens on the floor.)* Hello, what's this? *(Picking up the object hidden in the bread that BEAUTIFUL brought the prisoners.)* It looks like a knife to cut that unicorn free so they can escape?

BEAUTIFUL. *(Very nervous)* I don't know how that got into the bread. *(The LAUGHING FROG blows HIS bell up to release a powerful laugh alarm.)*

EVERYONE. *(Covering HER ears. SMOKE covers PINK's ears.)* Please don't do that! *(The LAUGHING FROG laughs very loudly so that HE could be heard from miles away. Just then a small army of trolls arrive. As THEY arrive BEAUTIFUL passes the knife to EVERYONE who quickly cuts the rope around PINK's legs and then whispers to PINK to start drilling with HER unicorn horn to the cell below. The TROLL KING who is in command of the trolls stepped forward.)*

TROLL KING. What is going on in here?

LAUGHING FROG. Your beautiful troll tried to give the prisoners a weapon to escape with. I found it in the bread.

BEAUTIFUL. Not true! I don't know how that got in there.

TROLL KING. I will have to tell Queen Lake, she will not be happy that she has a traitor in her midst, You will join your friends until Queen Lake gives me further instructions what to do with you. Lock her up with the rest of them!

(The TROLL ARMY put BEAUTIFUL in the cell.)

BEAUTIFUL. But I'm innocent!

EVERYONE. Oh this is just, great! GREAT!

THE TROLL KING. And to think I cared about you. You could have been my Queen of the Trolls, but no longer. I do not show mercy to traitors; you have broken

my heart!

LAUGHING FROG. (*Laughing.*) HA-HA-HA-HA-HA-HA (*Laughing.*) HA-HA-HA-HA-HA-HA (*Laughing.*) WELL, YOU'RE LAUGHIN' AT ME (*Laughing.*) WELL, YOU'RE LAUGHIN' AT ME (*Laughing.*) OH, WHAT YOU DID TO HIM(LAUGHING) I'M A-LOOKIN', YOU'RE LAUGHIN' (*Laughing.*) I'M A-LOOKIN', YOU'RE LAUGHIN' (LAUGHING) YOU'RE A-LOOKIN', I'M A-LAUGHIN' (*Laughing.*) LAUGHIN' AT ME(LAUGHING) AH, BUT YOU'RE A-LAUGHIN', AT HIM. (*Laughing.*) *As the LAUGHING FROG puts on a spectacle, EVERYONE has grabbed the keys to the dungeon door and at the end of the song swings the door open and knocks the TROLL KING out as JOE knocks the other guards out by pounding HIS fist to THEIR heads yelling, "JOE SMASH!" leaving the LAUGHING FROG who sees that HE'S outnumbered knocks himself out.)*

EVERYONE. Drill faster, Pink!

PINK. I'm drilling as fast as I can.

BEAUTIFUL. Can I help?

EVERYONE. Look, let's get one thing straight. You're a troll, I'm a fairy. Trolls eat fairies, so right off the bat, I don't like you, now don't start asking questions like your part of this group, okay, or that we're best friends, because, we are not! You stink, you're ugly, and you work for the Spider King, so do us all a favor and stay over in your corner of the cell and do not talk to us.

PINK. EVERYONE! You apologize to her or I'm not digging anymore! (*SMOKE glares at EVERYONE to do it.*)

EVERYONE. If you think I'm going to fly over to her and apologize to a troll, you've just received a telegram and it simply reads, YOU'VE LOST YOUR MIND!

PINK. APOLOGIZE NOW!

EVERYONE. (*Inaudible.*) Sorry!

BEAUTIFUL. (*Smiling*) I accept your apology!

PINK. I'm almost through the floor, Joe smash your fist through it and then it should be big enough for Everyone to slip her head through and take a look. (*JOE smashes through floor with fist.*)

JOE. That hurt Joe's hand! Joe say OUCH!

BEAUTIFUL. Hurry up before they all wake up! (*EVERYONE squeezed HER head in the hole and as SHE did, SHE came eye to eye with EDWARD, who was below, staring up at HER.*)

EVERYONE. (*Smiling big*) Hello Edward!

EDWARD. (*Smiling.*) Well...hello Everyone! (*Blackout.*)

ACT 1 SCENE 7

MS.POPPIT and ATLANTIS arrive at the cell.

ATLANTIS. Sorry we took so long, we had to sneak past the guards.

EVERYONE. We pretty much have rescued ourselves no thanks to you!

MS.POPPIT. EVERYONE! She is here to help you. Be nice!

EVERYONE. Fine if you want to help, try to figure out how to get to Edward in the cell below us.

ATLANTIS. Edward, my father, is below you?

EDWARD. *(Going to the hole.)* Yes, I am. Hello!

ATLANTIS. *(Going to the hole.)* Father! Don't worry we will get you out, I am your daughter!

EDWARD. Is it really you?

ATLANTIS. Yes!

EVERYONE. *(Mocking THEM first and then....)* Okay can we do our family reunion later and get him out of here before those trolls and frog wake up?

ATLANTIS. Sorry, of course. Stand back. I'll blast the floor with my enchanted powers!

EVERYONE. Enchanted powers? HA! Watch this! I'll show you enchanted powers!*(SHE tries her enchanted powers and not much happens.)* That's just GREAT!

MS.POPPIT. Now remember ATLANTIS, focus and concentrate.*(ATLANTIS blasts the floor and EDWARD breaks through and hugs HIS daughter.)* No time for that, let's get to the entrance and get out of here.

EVERYONE. Let's just not stand here, there are trolls coming...RUN! *(THEY all raced to through the corridor only to run into The SPIDER KING and QUEEN LAKE.)*

SPIDER KING. Going someplace?

EVERYONE. Yes, we were just leaving, can you get our bags please, we didn't really care for our room and the food was terrible, along with the room service. In fact we'd like a refund!

QUEEN LAKE. Clever talk, and just for that fairy, I will be sure you're a wonderful bedtime snack for the Troll King.

EVERYONE. Well tell him to bring some antacids because I'm SPICY!

SPIDER KING. Let's see, I count eight of you. I see we have a traitor in our midst.

BEAUTIFUL. I will no longer be part of your evil ways! You might have brainwashed all the other trolls, but I'm going with the rightful king, King Edward of the Enchanted Lands!

EVERYONE. Yeah girlfriend, she's with us! *(Snapping her fingers with attitude.)*

SPIDER KING. Those words will cost you a trip to the Dark Place. The only King of the Enchanted Lands, which, by the way, is now called, the Battle Lands, is me, unless you think you can get past me and my troll armies.

EDWARD. Jeffrey! Let them go and I will stay. Send this little girl back to Green Earth, she should not be here. Let the rest go, and I promise not only to stay with you forever, but I will show you where I hid the Sword of Light.

QUEEN LAKE. Silence! Don't you ever disrespect the king by calling him anything else but the Spider King. He no longer is part of the life you once knew as his brother. Stop your groveling and lying, and prepare to all go to the Dark Place, never to be seen again. Get them! (*SHE lunges to attack with her ARMY OF TROLLS.*)

MS.POPPIT. Throw a force field around us princess, quick!

ATLANTIS. Force Field! (*The TROLLS attack only to bounce off the blue force field walls protecting the enchanted eight.*)

EDWARD. There are just too many trolls. They will weaken you Atlantis, you can't hold them all off, we must make a break for it, my daughter.

(*ATLANTIS kept blasting away to the left and right. QUEEN LAKE tried to break through the force field but was shocked each time.*)

SPIDER KING. Get the pink balloon out in the open, away from the force field! She's the brains of the group, we'll silence her first.

EDWARD. I have a plan, Pink. Take Joe, Beautiful and Smoke and get to the Deep Earth crater as fast as you can. I will stay back with Atlantis, EVERYONE and MS. Poppit. We will meet you there. GO! (*The TROLL KING has WEDGY and starts choking HIM.*)

WEDGY. Help me Ms. Poppit, I'm on your side, I'm on your side! He'll send me to the Dark Place, Please, help me!

MS. POPPIT. I'm going to save Wedgy! (*MS.POPPIT leaves the safety of the force field to save WEDGY.*)

EDWARD. WAIT MS. POPPIT, IT'S A TRAP! (*PINK takes BEAUTIFUL, JOE and SMOKE and rushes out of the castle. MS.POPPIT flies next to WEDGY who starts to laugh with THE SPIDER KING. MS.POPPIT tries to get back behind the protection of the force field, but the SPIDER KING heaves the LAUGHING FROG and it goes right through MS.POPPIT with a loud "POP" and explodes HER into pieces.*)

ATLANTIS. NOOOO!!! (*SHE begins to shake and cry violently. RAGE and TEMPER appear out from each side of HER body as SHE passes out. THEY moved towards the SPIDER KING to attack, but HE holds up the Sword of Darkness and THEY turned quickly on EVERYONE and EDWARD. EDWARD picks up ATLANTIS in HIS arms as RAGE and TEMPER try to attack THEM.*)

EDWARD. Everyone, take Atlantis to the crater! Hurry; get her out of here, NOW!

(EVERYONE grabs ATLANTIS and takes off as EDWARD is fast behind them making sure THEY are safe.)

QUEEN LAKE. *(Summoning HER TROLL ARMY.)* After them you fools!

SPIDER KING. *(Laughing.)* Let her go, she's no longer powerful, now that we have these two, her power source. *(The dark creatures, TEMPER and RAGE stand by the SPIDER KINGS side pledging their allegiance, glowing with power. Back at the crater ATLANTIS and HER ENCHANTED FRIENDS weep for THEIR friend MS.POPPIT. EDWARD hands the pieces of the brave pink balloon to EVERYONE as SHE places THEM in a gold box as the others stand behind THEM. ATLANTIS holds HER father's hand and cries with HER other ENCHANTED FRIENDS for the loss of HER friend, The ENCHANTED ONES hand out red balloons to the audience. EVERYONE sings.)*

EVERYONE. Red balloons to symbolize the love we all had for Ms. Poppit. *(Holding up a red balloon.)* Hold them up and wave them in memory of Ms. Poppit. We will never forget you! *Ad-lib getting audience involved in the ceremony)*

99 RED BALLOONS FLOATING IN THE SUMMER SKY

PANIC BELLS IT'S RED ALERT

THERE'S SOMETHING HERE FROM SOMEWHERE ELSE THE DARK PLACE
SPRINGS TO LIFE

OPENS UP ONE EAGER EYE

FOCUSING IT ON THE SKY AS 99 RED BALLOONS GO BY

Let's celebrate her life! Come on! *(The AUDIENCE is instructed to continue to hold THEIR balloon up and wave it back and forth as a tribute to MS. POPPIT. The Enchanted ones dance in the audience with their balloons. Audience and Enchanted ones stop waving balloons-a single spot on EVERYONE)*

99 DREAMS I HAVE HAD

IN EVERYONE A RED BALLOON

IT'S ALL OVER AND I'M STANDING PRETTY IN THIS DUST THAT WAS A
CITY IF I COULD FIND A SOUVENIR JUST TO PROVE THE WORLD WAS
HERE AND HERE IS A RED BALLOON I THINK OF YOU, AND LET IT GO!

(As the song ends the AUDIENCE is instructed to let go of THEIR red balloons so they float up in the sky. Instrumental music plays. Black out.)

ACT 1 SCENE 8

A hidden place in the forest.

EDWARD. Okay, to defeat the Spider King and Queen Lake we must find the Sword of Light buried deep in the crater. I buried it many years ago and I have to remember where it is. Now let's split up into groups to look for it. I'm going to be with Atlantis. Beautiful, you look after Joe. Pink you be with Smoke and Everyone. Any questions?

WEDGY. Which group am I with?

BEAUTIFUL. No way! He's responsible for Ms. Poppit's death. He works for the Spider King; he was probably sent to spy on us and will let the Spider King know when we find the sword.

EDWARD. Let me be perfectly clear, elf; if you're not speaking the truth, then I swear, I will send you to the Dark Place myself. Do you understand? Now tell me why we should trust you? (*WEDGY, trying to speak as EDWARD squeezes HIS neck tighter.*)

WEDGY. I was forced by the King to trick Ms. Poppit honest! (*Edward squeezes harder*) If I didn't obey they'd send me to the Dark Place or Queen Lake would use her magic potions on me. (*Crying and pleading*) It wasn't my fault I SWEAR it wasn't my fault!!

EDWARD. Okay Wedgy, you're with Beautiful and Joe. Watch him, Beautiful, closely, and if you have any problems, send him to the Dark Place. Now, all of you, let's start down the hole. (*WEDGY smiles deviously as THEY all separate into THEIR groups and split up.*)

ATLANTIS. Can I ask you something before we get going?

EDWARD. You can ask me anything, my daughter.

ATLANTIS. I keep hearing about this Dark Place, First Winona was sent there, then King Glorious and Hollow, then all the enchanted armies, and then Ms. Poppit. What is this Dark Place that people go to once they die? Can we go there and rescue these people?

EDWARD. As soon as the original Sword of Light went dark due to being used for evil, that's when the Dark Place was born.

ATLANTIS. Where is my Mother, Winona?

EDWARD. No one knows. Queen Lake took her many years ago and I haven't seen her since. That's all I know. I'm sorry.

ATLANTIS. That's really sad. I want so badly to meet her. At least I found you. (*They hug as the scene shifts to another part of the crater.*)

JOE. Joe tired! Joe need to visit Uncle Nappy!

BEAUTIFUL. Let's rest here and give Joe a chance to take a little nap before we go farther down the core.

EVERYONE. How do you forget where you buried a sword? Edward should have left a marker where he hid it. Duh!

BEAUTIFUL. I hope they find it so I can have them transform me back.

EVERYONE. Transform you back? I don't understand.

BEAUTIFUL. Shhh, quiet! I'm not really a troll. You see I don't know who I am. All I remember is that I was human at one time, and I was being held by the Spider King and Queen Lake. They made me drink this green magic potion and I was sick for many days, and when I woke I was an ugly troll.

EVERYONE. Wait a minute....Wow! Oh wow, you're Winona!!! It makes perfect sense. Edward James's Winona!!! **QUEEN WINONA!!!** (*SHE starts to dance with BEAUTIFUL*)

BEAUTIFUL. Now what do we do?

EVERYONE. I must go tell Edward, he'll know the answer, but you're his wife, I just know it! You stay here and watch JOE and I'll bring them to you. (*SHE leaves very excited and falls down. SHE comes back and bows to BEAUTIFUL then runs off laughing. The action shifts to another part of the crater.*)

PINK. I got my eye on you! (*As SHE looked at WEDGY in front of her as THEY propelled down into the Deep Earth's core with SMOKE leading the way.*)

WEDGY. Why don't you trust me? I never have done anything to you!

PINK. Maybe because you spy for the SPIDER KING and QUEEN LAKE and no one likes you, so just keep moving. (*SMOKE nods in agreement. Winks at PINK.*)

WEDGY. Can't an elf just rest this feet for a bit?

PINK. Fine! Five minutes then we keep moving until we find the sword.

(*As PINK and SMOKE rested, the two dark evil creatures, RAGE and TEMPER appeared from behind WEDGY's back.*)

WEDGY. (*Laughing*) Do you mind if my two friends hang out with us? (*PINK and SMOKE try to get away but are blasted by power surges by TEMPER and RAGE, knocking THEM both unconscious.*) Throw the unicorn over the cliff, and then take her boyfriend, the tiny dragon to Queen Lake, she has big plans for him.

(*As RAGE and TEMPER are just about to grab SMOKE, BEAUTIFUL and JOE appear.*)

BEAUTIFUL. Let them go Wedgy, and I promise we will be easy on you. We should have known you couldn't be trusted!

JOE. Joe don't like when you hurt his friends! Now Joe going to put the hurt on you!

WEDGY. Attack!!!! (*RAGE and TEMPER blast JOE with a power surge electrocuting JOE.*)

JOE. *(Running away and in fear and crying.)* OWWWWIEEEEE Joe wants his mommy!

BEAUTIFUL. Joe, come back. He can't survive on your own! Now look what you've done! *(Just as BEAUTIFUL tries to attack WEDGY, SHE is blasted with a huge power surge from TEMPER and RAGE and is electrocuted. PINK gains her consciousness, and quickly hides behind a rock un-noticed. SHE tries to reach out to SMOKE who was lying in front of WEDGY, but SHE is too injured as both PINK and SMOKE have also been electrocuted by RAGE and TEMPER.)*

WEDGY. Now Beautiful, it is time for you to meet your demise! This is what we do to traitors! *(RAGE and TEMPER grab SMOKE and bolt from the crater to the castle.)*

PINK. SMOKE!!!! NO!!!! I LOVE YOU!!!! *(SMOKE reaches out to PINK for an instant but then HE is gone.)*

BEAUTIFUL. Don't do this Wedgy....I just found out I am.....*(WEDGY had pushed BEAUTIFUL over the cliff.)*

PINK. Winonaaaaaaaaaaaa!!!! *(EVERYONE, ATLANTIS and EDWARD arrive.)*
ATLANTIS.)

ATLANTIS. Winona? Did you just say Winona? Where is she? Where is my mother?

PINK. *(Crying and intensely angry.)* Wedgy pushed her over the cliff, he also chased Joe away and took my Smoke back to the castle with those two creatures. He needs to be punished!

EVERYONE. Beautiful was Winona transformed into a troll by Queen Lake's magical potions! You killed the true Queen of the Enchanted Lands! *(Grabbing WEDGY and shaking him.)*

ATLANTIS. *(Collapses on the ground in shock.)* You just killed my Mother!

EDWARD. You killed my Winona. All this time I thought she was in at the Dark Place and she was right next to me, guarding my cell even and she....I... never knew.

PINK. You killed my heart.

EVERYONE. *(Crying.)* Why Wedgy? Why would you do this? Did the Spider King send you to kill us all?

WEDGY. No, it wasn't him, it was Queen Lake. The Spider King only sent me to spy on all of you until you found the Sword of Light, and then I was to bring it back to him, but Queen Lake instructed me to get rid of you all. Send you all to the Dark Place. I'm sorry Edward. I didn't know she was Winona.

(EDWARD grabs the scarf BEAUTIFUL wore on the ground and looks over the cliff where SHE fell. PINK, EVERYONE, WEDGY and ATLANTIS kneel and look over

the cliff.)

EDWARD. Winona. *(The lights change to a dream sequence as WINONA appears in human form in a beautiful gown fit for a queen. SHE grabs EDWARD'S hands as THEY dance to instrumental music. THEY stop dancing as WINONA slowly walks away in the darkness reaching out to EDWARD.)* No matter what life I live, I will always find you. *(WINONA disappears as the lights fade to black.)*

ACT 1 SCENE 9

EVERYONE. I say we send him to the Dark Place just like he sent my Queen, Winona! *(PINK and EVERYONE grab WEDGY.)*

ATLANTIS. Stop! Let him go!

EDWARD. What is it Atlantis?

ATLANTIS. Listen all of you, it's the Sword of Light, it's singing to us. *(A sharp pitched ringing could be heard throughout the crater.)*

EDWARD. I hear it! It's a ringing sound only a sword can make when you strike it against another sword.

ATLANTIS. Call it Father, you are the creator.

EDWARD. Back up..... Sword of Light, come to me by flight, in my hands I demand your presence and power! *(For a second nothing happened and then a deep rumbling could be heard as Deep Earth's core shook hard and opened wide in front of EDWARD. A piercing bright light came up from the ground and slowly from the depths below Deep Earth came a BEAUTIFUL, shimmering, glass sword, beaming a blue radiant of light and came to rest in EDWARD's hands.)*

ATLANTIS. It worked! Now we can go attack the Spider King and his armies now and try to save our friends!

EDWARD. Wait we must plan our attack and make sure the Spider King knows nothing about it.

PINK. What about Wedgy? *(PINK moves quickly around HIM and ties HIM up.)*

WEDGY. I told you I was sorry and I was only following Queen Lake's orders or I'd be punished!

EVERYONE. I say to the Dark Place with him!

EDWARD. Not yet, we will take him with us and use him for collateral to get Smoke back. *(WEDGY tries to say something and EVERYONE puts a gag in his mouth. The Ghost of HOLLOW appears in a bright blue light.)*

HOLLOW. Beware of what is to come! You are all in great danger. Be silent as I foretell what once was, what is now, and what is to come! You, Princess, have been summoned by me to come to Deep Earth and destroy the evil, that being, the Spider King, Queen Lake and their armies of darkness. After many years of searching, you

have finally been found. Know also, your enchanted powers are gone, now in the hands of the darkest part of you, your RAGE and your TEMPER, Ripped from your soul by the Spider King to now be used against you. You must bring them back inside of you to regain your enchanted powers. Without them, you are a powerless mortal and can easily be sent to the Dark Place. Your only weapon against the Spider King is the Sword of Light. Anyone who touches this magic sword will be most powerful. The only way to destroy the dark King and Queen is for the true Princess of the Enchanted Lands is to hit the Sword of Light directly against the Sword of Darkness. Upon this strike of blades, the swords will shatter into pieces, sending all evil to the Dark Place forever. But beware, if the Spider King gets ahold of the Sword of Light and turns that sword dark by using it for evil like the Sword of Darkness then all that is good in the world will cease to exist, and evil will encompass the entire Earth, including Green Earth. Only the trinity as a force of good can stop The Spider King and Queen Lake's force of evil.

ATLANTIS. What trinity? What do you mean?

HOLLOW. I have to go!

EDWARD. Wait! You gave me this golden acorn that I wear around my neck many years ago, and on it, it says, *Release the acorn far in the sky when all seems lost wait for the rain, and she will come to save you.* Is she, my daughter Atlantis? When do I release it into the sky? Am I the other protector of good? Please help us!

HOLLOW. You will know all this in time Edward, trust yourself and believe, and you will know when the time is right. I must return to the Dark Place before my spirit vanishes forever, you must hurry away now, as danger grows so does evil and the Dark Place. Stop it before it takes over the Earth!

ATLANTIS. Please wait, how do we get to the Dark Place, I want to save my friend, Ms. Poppit. How does one get there, please tell me!

HOLLOW. Fall into the Sword of Darkness and fall out of the Sword of Light, this is the only way. Make a doorway with the swords as your guide and it will show you the way in and out. But beware, no one has dared to travel into the Dark Place, and it's best to leave dark at rest, do not stir up the Dark Place, it is alive, grows, and breathes just like us. Stir up the darkness and anger it and it will unleash itself and expand and nothing on this Earth will be able to stop it. You have been warned!
(*The Ghost of HOLLOW vanishes as does the bright blue light that engulfs it.*)

EDWARD. Alright, you heard Hollow, we have to stop this evil before it's too late. Let's get the castle and save Smoke and take back our kingdom!

(*Black out*)

ACT 1 SCENE 10

At the castle.

EDWARD. Now that we snuck past the guards, I know this castle really well. I'm sure Queen Lake is holding Smoke in her chamber. Atlantis you stay here and stay out of site while Pink, Everyone and I grab Smoke and The Sword of Darkness. Are you going to be okay by yourself? (SHE nods her head "yes") Here, take the Sword of Light it will protect you while we're gone since you don't have your enchanted powers.

EVERYONE. HEY! What are we supposed to protect ourselves with? My enchanted powers suck! I wasn't trained like some people I know.

(ATLANTIS takes the Sword of Light and grins at EVERYONE who glares back with folded arms.)

ATLANTIS. Thanks, I'll be fine, just go and hurry.

(THEY leave and as soon as THEY do RAGE and TEMPER appear on both sides of ATLANTIS.)

RAGE. Welcome back Princess ATLANTIS! We have been awaiting your arrival.

ATLANTIS. Well I was hoping you two would show up. I plan to bring you two back into myself so I can get my enchanted powers back and go help my friends.

TEMPER. You'll have to catch us first and we are way too powerful for you to grab us. *(THEY both electrocute ATLANTIS but also electrocute THEMSELVES in the process.)*

ATLANTIS. That was silly. If we are one in the same, why do you attack me? If you hurt me, you just hurt yourselves. You should come back into me and help me defeat the Spider King and Queen Lake, they are your enemies. With you I regain my enchanted-powers. I can defeat them both.

RAGE. No! You are our enemy and our creator. We are evil because you are evil! You were born evil. You created us through your behaviors of biting, scratching, kicking and screaming when you did not get your way or when you were mean to your brothers and sister.

ATLANTIS. I was scared, I was only defending myself. I'm not evil, please come back inside of me and help me defeat the Spider King. I am good and so are you.

TEMPER. No! We exist because you still have Rage and Temper in you. We will always exist, as long as you feel these emotions. You can't change who you are. You're evil just like the Spider King and Queen Lake.

ATLANTIS. I can control my rage and temper now. I no longer need you; I'm not that naughty little girl anymore so please come back inside of me so we can be one again! I don't hate anymore, I love! *(ATLANTIS continued to cry weakening RAGE and TEMPER as SHE tries to hug THEM both.)*

RAGE AND TEMPER. Quickly away! She's pulling us back in with her love for us.

ATLANTIS. I'm not evil, I'm not evil, and I'm a good person. I'm sorry I was ever bad. (*SHE sits on the castle floor and cries. The scene shifts to another part of the castle where EDWARD, PINK and EVERYONE make it safely to the chamber of QUEEN LAKE on the very top of the castle. THEY enter QUEEN LAKE'S chamber but it's empty.*)

PINK. Where's Smoke? Smoke!!! Are you here? We here to save you, it's your favorite, beautiful unicorn that you love!

EVERYONE. SHHHHHHHH!!!! Not here...duh!

EDWARD. Wait look! This is Smoke's collar here in this cage. Queen Lake must have had him locked in it. (*EVERYONE, the fairy, looks out the castle window.*)

EVERYONE. Um guys...you better come look at this! **BIG** dragon! **HUGE**, with fangs staring at me! (*EDWARD and PINK run to the window and THEY are amazed at what THEY see.*)

PINK. Oh my gosh-Smoke? That's my Smoke! NO!!!!!!!!!!

QUEEN LAKE. Oh it's true! Take another look at my new pet, but his name is now, Fire, my huge fire breathing dragon, a thousand times of the tiny dragon you once knew.

EDWARD. What did you do to Smoke?

QUEEN LAKE. Nothing really, I just gave him a little growth spurt from my magic potion I created from my venom. The same potion I gave your wife, Winona, who turned into the lovely troll, Beautiful.

EVERYONE. You wait until Princess Atlantis gets here! She's a princess you know and she's going to kick your butt with the Sword of Light and her enchanted powers, so there!

QUEEN LAKE. You mean the crying Princess flying away back to Green Earth? Go ahead and look out the window. (*EDWARD, PINK and EVERYONE looked out the window to see hundreds of birds carrying ATLANTIS towards the sunset.*) Oh and hard to have enchanted powers without these inside of her. (*RAGE and TEMPER appear at HER side.*)

EVERYONE. Princess? Why are you leaving us? I just started to believe in you.

TROLL KING. (*The TROLL KING enters with the Sword of Light.*) My Queen, the princess downstairs, we surrounded her but she just gave up and handed us The Sword of Light without a fight. I don't understand, she could of destroyed us all but instead she just simply said she was done and called for her birds and flew off. She acted very strange so we didn't attack. Shall we go after her?

QUEEN LAKE. No, let her go back to Green Earth to live her life or what's left of it, We have more important things to do like take over the entire planet!

(SHE holds the Sword of Light up and looks at it.)

EDWARD. You lie! The princess would never leave us here, and she would never give up the Sword of Light. What did you do to her?

QUEEN LAKE. I did absolutely nothing, but you three are really starting to bore me so let's make some entertainment. *(QUEEN LAKE points the Sword of Light over to EDWARD and EVERYONE and yells, "freeze!" The Sword of Light magically freezes THEM both.)* Now I know you two can still hear me. I'll have the Troll King move you closer to the window as we watch your friend Pink here battle my newest pet, FIRE!

PINK. What if I refuse to battle him?

QUEEN LAKE. Then I will simply destroy your precious dragon and send him to the Dark Place so you'll never see him again. Now, fight my pet, destroy this tiny unicorn! I command you!

PINK. *(The dragon roars. * Note-The dragon's focus is placed out towards the audience (fourth wall) Smoke it's me Pink. Calm down now my love. Queen Lake has you under a spell and you don't know what you're doing. (FIRE throws five fireballs at PINK, but misses due to the unicorn's speed.)*

QUEEN LAKE. FIGHT! Get her and destroy that unicorn or be destroyed yourself! *(EDWARD and EVERYONE try to move to break free but THEY are frozen solid in blocks of ice. The dragon, FIRE roars and burns PINK during the song and fatally wounds her by the end of the song. Her costume should slowly turn ash gray during the song. PINK stands in defiance and stares down QUEEN LAKE.. PINK pleads to SMOKE/FIRE to stop . (Barely alive, PINK tries to stand to face her love in one more attempt. PINK dies and disappears as FIRE reverts back to SMOKE lets out a painful roar and flies off. QUEEN LAKE laughs and holds up the Sword of Light as EVERYONE and EDWARD who are still frozen look in horror as the lights fade.)*

ACT 1 SCENE 11

ATLANTIS races to get out of sight and starts to whistle to call HER birds to fly HER back to Deep Earth.

PRINCE CAGE. *(PRINCE CAGE enters; HIS face is hidden by a cloak for the entire scene.)* If you're going back you're going to need this! *(HE throws the Sword of Light flew in the ground in front of HER.)*

ATLANTIS. Who are you? I can't see you. Show yourself!

PRINCE CAGE. Please don't look at me or come any closer, I'm hideous to look at. My name is Prince Cage, and I'm here as a friend. Take back your Sword of Light. I do not want my parents to destroy the Green Earth. It is where I came from, so I want you to protect it from evil.

ATLANTIS. I don't understand. Why would you help me?

PRINCE CAGE. All you need to do in return is to never mention to anyone that you spoke to me, and most importantly do not hurt my parents. You may destroy the Sword of Darkness, but no harm must come to the Spider King or Queen Lake. They are my parents, and I still love them no matter how evil or horrible they have treated me. They must not be harmed. Is that understood? Can you promise this in return of my good gesture?

ATLANTIS. I promise! What did they do to you that you cannot show your face to me?

PRINCE CAGE. No more questions, now go, and have your birds fly fast to the sun sets. You need to save your friends before it's too late. Remember our promise.

(ATLANTIS smiled at the dark figure and then whistled for HER birds that carried HER quickly to the setting sun. PRINCE CAGE stayed for a bit before returning to Deep Earth. HE watched HIS brothers and sister play. HE smiles as the lights fade to black

ACT 1 SCENE 12

QUEEN LAKE's chambers later that night. PRINCE CAGE is tied up.

QUEEN LAKE. You ruined your reunion with your family on Green Earth, doesn't it my poor neglected, son with all of your silly promises to the princess, No matter you did good by bringing her back so I can destroy her once and all. You should have left well enough alone. I was going to let her live.

PRINCE CAGE. You underestimate the princess, mother. You have no idea the power this little girl possesses.

QUEEN LAKE. All I know you went back to Green Earth and delivered the Sword of Light back to her when we had both swords in our possession. We call that a traitor! We were minutes away from world domination until you stole that sword from us, my naughty little boy.

PRINCE CAGE. I may be your son but I will never help you or the Spider King destroy the princess or join your army of darkness.

QUEEN LAKE. Disobedience will get to have your fill of potion for the day, maybe your continued grotesque transformation will change your mind. Bring me the magic potion! *(The TROLL KING gives QUEEN LAKE the potion as SHE pours the potion down HER SON'S throat. HE coughs, and wheezes, and then, passes out. The action switches to another part of the castle. ATLANTIS has a TROLL captured.)*

ATLANTIS. Take me to where my friends are being held! *(The TROLL takes ATLANTIS to the QUEEN LAKE'S chamber and SHE sees EDWARD and EVERYONE frozen. SHE unfreezes THEM with the Sword of Light.)* Tell anyone I'm here and I'm coming to find you, got it! *(The TROLL runs off scared.)*

EVERYONE. Thanks for leaving us! What kind of Princess are you? You know I don't like you, but a lot of people, are depending on you, so what do you do? You give the Spider King the Sword of Light, and fly home leaving us to be sent to the Dark Place!

ATLANTIS. I made a mistake! Okay!

EVERYONE. A mistake? A mistake! You don't deserve the title of princess! Maybe I need to teach you a lesson. *(SHE cracks HER knuckles ready to fight.)*

ATLANTIS. Bring It!

EDWARD. That's enough! *(HE gets between EVERYONE and ATLANTIS ready to go at each other.)*

EVERYONE. No Edward, it's not enough, because of you, Pink is dead with the others we cared about and sent to the Dark Place! Pink's deaths on you!

ATLANTIS. Pink has gone to the Dark Place.

EVERYONE. Yes, thanks to you, she was destroyed by Fire or as we used to know him as, Smoke.

EDWARD. Queen Lake used the same secret potion that she used on Winona. She fed it to Smoke, transforming him into the evil fire breathing beast, Fire. He then destroyed Pink.

EVERYONE. It's her fault, take that Sword of Light away from her, she does not deserve to hold such a sword!

ATLANTIS. Well, I just rescued you, so I guess I'm not a total screw up!

EDWARD. Enough! Stop it, both of you! We don't have time for this. The important thing is the Sword of Light is back in our hands before The Spider King could take over the planet. How did you get it back?

ATLANTIS. Never mind you wouldn't believe if I told you. The main thing is all we need to do is get The Sword of Darkness and then destroy The Spider and Queen Lake.

EDWARD. Easier said than done. You take the Sword of Light and go into The Spider King's Lair and grab the Sword of Darkness. We'll stay outside the room and make sure no one comes in. Oh and it's good to have you back my daughter. (*THEY hug.*) Now let's go!

EVERYONE. Oh give me a break!! (*The three cross into the SPIDER KING'S Lair with EVERYONE and EDWARD watching outside the room. ATLANTIS creeps quietly into the SPIDER KING's lair, but the SPIDER KING is nowhere to be found. What SHE does spot on the SPIDER KING'S throne is the Sword of Darkness, glowing red and shimmering. The sword calls out for ATLANTIS to come closer to it. ATLANTIS walks over to the Sword of Darkness very cautiously as it seems to be calling HER over by the ringing sounds it was making. SHE looked around the room and realized no one is in the room. SHE picks up the sword. As SHE holds the sword, SHE is overcome with power and quickly drops the sword on the ground. Out from behind the tapestry enters, The SPIDER KING.*)

THE SPIDER KING. Don't be afraid, go ahead and try picking up the sword again. I promise it won't hurt you, (*ATLANTIS hesitates for a bit, but then slowly moves towards the sword picking it up again.*) That's it; hold the sword tight look deep within it. (*ATLANTIS uses both hands and held the sword firmly in front of HER and looks directly at it. SHE feels the power surging through HER veins making HER body pulsate.*) Feel the power? (*ATLANTIS continues to pulsate from the power of the Sword of Darkness, QUEEN LAKE enters with TEMPER and RAGE at HER side.*)

QUEEN LAKE. (*Moves to behind ATLANTIS*) I see someone likes the Sword of

Darkness as much as you do my king(*ATLANTIS cannot let go of the sword. HER eyes became pitch black and rays started coming from her body.*)

EVERYONE. Drop the stupid sword. It's going to kill you!

SPIDER KING. This is why I waited to combine both swords, I figured you'd be back. Now join us and the world will be ours together. You will have anything you want, anything your heart desires as our Princess of the Battle Lands. Join us and we can make all your dreams come true!

QUEEN LAKE. (*The TROLLS gives ATLANTIS a complete make-over by changing HER hair style and putting a dark gown and cape on her with assistance from other trolls. ATLANTIS is in a weird trance as SHE lets the trolls change HER appearance as she continues to hold the Sword of Darkness.*) You can be the child we always wanted. Our son is a traitor and now can take his place as our one and only child and heir to the throne!(*ATLANTIS'S body surged with even more with power.*) Go my pets rejoin your body and make, our new daughter, and make the princess whole again! (*RAGE and TEMPER slowly go on each side of ATLANTIS and slowly go back inside her body. ATLANTIS starts to shake violently as the lights darken and thunder is heard. ATLANTIS'S head bends forward, SHE drops the Sword of Darkness. She looks up at The SPIDER KING and QUEEN LAKE with an evil smile. HER hair is now styled like electricity, standing on end, HER eyes have dark circles around them and SHE is dressed in black with a red cape. When SHE speaks her voice is distorted and dark.*)

ATLANTIS. (*In a deep dark voice.*) I ACCEPT! (*ATLANTIS throws the Sword of Light at EDWARD to battle HER. SHE is possessed and overcome with evil. SHE put her arms outstretched to HER sides and bolts of electricity came shooting out of HER hands.*)

EDWARD. What have you done to her?

EVERYONE. Wow, I am way more prettier than her now!

SPIDER KING. What you see in front of you my dear brother is our new daughter Princess ATLANTIS of the Battle Lands, daughter to the Spider King and to Queen Lake and the most powerful force ever to be seen, or dealt with on Earth itself. You might as well surrender now because your Sword of Light is no match for her. She now has double the power of your sword, and if you attempt to stop her, she will destroy you both!

EVERYONE. Snap out of it princess! (*Slaps her across the face.*)

ATLANTIS. BIG MISTAKE!

EVERYONE. Oops this is going to hurt! (*ATLANTIS blasts EVERYONE against the wall with the Sword of Darkness. SHE then blasts EDWARD, who deflected the blast with the Sword of Light. ATLANTIS keeps coming towards HIM, blasting away, as*

EDWARD continues to block the bolts of electricity with the Sword of Light. EVERYONE is smoldering from the blast and wakes up and runs towards EDWARD for protection. HE is now on his knees trying to block the strikes from ATLANTIS'S Sword of Darkness. SHE continues to advance towards THEM. Instrumental music in the background.)

QUEEN LAKE. End his miserable life!

SPIDER KING. Send them BOTH to the Dark Place! (*QUEEN LAKE stands on a high platform with the SPIDER KING. An army of TROLLS come in from both sides of the stage in a marching in place. ATLANTIS circles EVERYONE and EDWARD waiting to strike the fatal blow. Queen Lake comes back down to the ground. More dancing trolls enter in from the house in the theatre.)*

EDWARD. ATLANTIS! I'm your father; you must break free of this evil before it destroys you.

ATLANTIS. NO! NOT DESTROY ME, I DESTROY YOU!!!! (*ATLANTIS picks up the Sword of Darkness and points it straight at EDWARD and EVERYONE ready to blast THEM to the Dark Place. NOW DIE!! (EVERYONE and EDWARD run left and right trying to escape ATLANTIS'S blasts from the Sword of Darkness but they are surrounded by TROLLS.. ATLANTIS blasts the Sword of Light out of EDWARD's hands. HE is too weak to stand. SHE holds the Sword of Darkness to his chest, and prepared to strike the final deadly blow. SHE pauses as SHE looked at HIM. "Do it!" cried the SPIDER KING "End him!" cried QUEEN LAKE. ATLANTIS shook as SHE rears the Sword of Darkness back, but something holds HER back from striking EDWARD. EVERYONE grabs the Sword of Light from EDWARD as HE grabs the Sword of Darkness blade and thrusts it into HIS chest as ATLANTIS drops the sword. ATLANTIS yells "Father!" EVERYONE notices a golden acorn necklace on the floor where EDWARD was lying, and grabs it while at the same time The SPIDER KING reaches for the Sword of Darkness. EVERYONE runs over to ATLANTIS and puts the necklace around HER neck. ATLANTIS, holding the Sword of Light now is back to normal self as all the evil from the Sword of Darkness has left her. SHE is dazed and confused. QUEEN LAKE slithers towards EVERYONE, but before SHE can reach ATLANTIS and the fairy, EVERYONE hits the Sword of Light in ATLANTIS hands hard on the floor, point down and they both disappear. The SPIDER KING picks up the Sword of Darkness and looks into it and laughs with QUEEN LAKE as the lights fade to black.)*

INTERMISSION

ACT 2 SCENE 1

A few miles outside the castle. EVERYONE helps ATLANTIS who is very weak and hurt. SHE sets HER down. Instrumental Music plays in the background..

(EVERYONE wipes the make-up off ATLANTIS'S face and takes off the red cape and fixes HER hair. She moves to the opposite side of the stage furious. Crossing far away from EVERYONE in the opposite direction. THEY both are in spots on opposite sides of the playing space.)

EVERYONE, TRAITOR!

ATLANTIS. I was under Queen Lake's spell. I had no idea what I was doing!

EVERYONE. LIAR!

ATLANTIS. I would never hurt Edward and as much as I dislike you I would never hurt you.

EVERYONE. Because of YOU, everyone I ever cared for and sent them to Dark Place!

ATLANTIS. Maybe if you weren't so worried and egotistical how pretty you were you could of stopped Queen Lake!

EVERYONE. There is no way you are a lost princess. You are nothing more than a waste of space who cause trouble wherever you are!

ATLANTIS. I never asked to come here. I was brought here by Ms. Poppit.

EVERYONE. I wish you never came here. You have been nothing but trouble.

ATLANTIS. HAVE NOT!

EVERYONE. HAVE SO!

ATLANTIS. YOU are nothing more than a mean, narcissistic fairy that only cares for herself and no one else! *(EVERYONE tries to shoot power out of her hands to blast ATLANTIS but we only hear a fizzle.)*

EVERYONE. That's just GREAT!

ATLANTIS. *(Crying).* I WISH I NEVER CAME HERE EITHER. I WISH I NEVER MET YOU OR ANY OF THESE PEOPLE. I WISH MY MOTHER LOVED ME AND MY DAD NEVER HURT MY MOTHER AND WAS TAKEN AWAY. I WISH I'D NEVER BEEN BORN! *(She turns away and continues to cry. EVERYONE feels bad and after a long pause staring at her, slowly come and sits next to ATLANTIS. Her back is to her.)*

EVERYONE. *(Inaudible.)* Sor-ry. *(ATLANTIS is still crying.)* You are prettier than me and have much better enchanted powers. Just be jealous.....the truth is I wish I was the a princess like you. I am sorry about your parents on Green Earth. Look we have to put our dislike for each other away and stop Queen Lake or they may take over the entire planet-then what?

ATLANTIS. I don't care.

EVERYONE. You do care or you would of just sent me to the Dark Place. We are all that's left. *(Long pause. ATLANTIS turns around.)*

ATLANTIS. Huggy?

EVERYONE. *(Pause.)* Huggy. *(They hug. She smiles at ATLANTIS.)* I still don't like you.

ATLANTIS. I still don't like you either.

EVERYONE. Look I took the Sword of Light! *(Showing ATLANTIS.)*

ATLANTIS. *(She takes the Sword of Light.)* Kneel.

EVERYONE. WHY?

ATLANTIS. Just kneel. *(EVERYONE kneels very confused.)* By the power of the true princess of the Battle Lands I dub thee princess! *(She places the Sword of Light on EVERYONE's shoulder's.)*

EVERYONE. WOW! Really?

ATLANTIS. Yes. You may rise. Now about these enchanted powers of yours.

EVERYONE. It's no use, I'm a powerless fairy. I'm not sure what happened. *(ATLANTIS pouts her hands on EVERYONE'S face and stares into her eyes. She leans in and they both touch foreheads.)*

ATLANTIS. You have to BELIEVE in your power! *(ATLANTIS Surges her power into EVERYONE and they both fly back and fall to the ground.)*

EVERYONE. I FEEL THE POWER!

ATLANTIS. Well just in time! Here come the Trolls! They found us! *(Both GIRLS tie their hair back and put warrior paint under THEIR eyes, ready to do battle. Both girls practice Karate kicks and punches preparing for battle. THEY hold a battle pose and go back-to-back as waiting for the Trolls to attack.. The scene shifts back to the crater with JOE wandering around lost. A voice in an Australian accent calls to HIM.)*

ROCKY. Joe over here mate!

JOE. *(JOE looks but all he sees is a pile of rocks.)* Who is calling for Joe? Mommy?

ROCKY. I'm right in front of you Joe; look at the boulder in front of you!

JOE. Hey, you're a rock in the boulder and you can talk!

ROCKY. Actually, this is just my head, there are pieces of me scattered throughout this cavern. It's what's left of me. The Spider King and Queen Lake did this to me during the Enchanted Wars of many years ago. I'm the last left of my kind, been stuck here for years. The name's Rocky and it's nice to meet you lad!

JOE. Joe think you talk funny and kind of scary so Joe smash you!

ROCKY. No, no, no Joe!...Me um...Joe's friend...yes that's it mate! Me-your-friend?

JOE. Joe lost his friends, and now Joe can't find them!

ROCKY. I'll tell you what Joe, I'll be your new friend, you help me get free, and

then I'll help you, deal?

JOE. Joe will help rock man. Rock man nice to Joe! Be Joe's new friend.

ROCKY. Very good then Joe, Now help me by collecting all the rocks you see, just pick them up and put them in a pile.

JOE. *(Putting rocks in a pile.)* Joe picking them up now and then putting them in a pile. There, Joe, done.

ROCKY. You're doing terrific Joe, now grab my head out of the boulder and place me on the pile of rocks. *(JOE pries ROCKY'S head out of the boulder and does not know what to do with it.)* Just set my head on the pile of rocks in front of you Joe. *(JOE is confused; HE starts tossing rocks up in the air playing with it, laughing.)* On the pile of rocks, if you please Joe! *(JOE just stands confused trying to figure it out. HE is right next to the pile of rocks that he needs to place ROCKY'S head on.)* Just drop the rock in your hand Joe onto the pile! *(JOE looks puzzled.)* DROP THE STINKING ROCK JOE!! *(JOE drops the rock and ROCKY puts HIMSELF together having once again, a body, arms, and legs again.)* There we go Joe, good job!

JOE. Joe did a good job. Joe not so bright, Joe supposed to be giant but just average size. Joe a big dummy!

ROCKY. *(Excited to be free.)*No Joe. Joe is smart. Joe IS a giant; Joe is a big and powerful giant. A firecracker mate! Rocky will teach Joe how to grow into a real giant by teaching him confidence!

JOE. Joe wonders why he talks in third person?

ROCKY. I see how it goes, um...let's go find your friends. Wait a second Joe, who is that up ahead? Come on. They look like they need our help.

(JOE and ROCKY run to find WEDGY lying over SMOKE, who has transformed back to HIS normal self, but unconscious.)

WEDGY. He's very sick. He's been poisoned by one of Queen Lake's her magic potions.

JOE. Joe NOT like Queen Snake lady!

ROCKY. Me either Joe but right now we need to get this young lad some help and then I have some unfinished business with the King and Queen!

WEDGY. Are you crazy? The first thing Queen Lake will do is send us all to the Dark Place including me for running away and helping you.

ROCKY. Look friend you're our only help. If you don't help this poor dragon, he'll die.

WEDGY. The name is Wedgy and I'm not your friend. I'll get you to the castle but that's all I'm doing. Once your there, you're on your own.

JOE. *(Grabbing WEDGY.)* If elf man tricks Joe or his friends, Joe will smash elf man like a bug. *(WEDGY moves away from JOE as HE picks up an unconscious SMOKE and carries HIM.)*

ROCKY. Alright now, then let us be off. Mr. Wedgy lead the way! (*Blackout.*)

ACT 2 SCENE 2

The scene shifts back to ATLANTIS and EVERYONE who prepare for war with the TROLLS. ATLANTIS is blasted by RAGE and TEMPER who surprise HER from behind. ATLANTIS is hurt badly.

RAGE AND TEMPER. Join us in the Dark Place! (*Laughing.*)

EVERYONE. Listen to me Princess, you cannot die. It's just me and you now and I am not taking on those two evil creatures all by myself, so you better wake up! Wake up! I said! I cannot do this by myself! (*RAGE and TEMPER stand before EVERYONE ready to finish off ATLANTIS.*) You're not taking her! You leave her alone! (*EVERYONE holds up the Sword of Light with all the strength SHE can muster.*) If you two demons want her, you will have to go through me first.

RAGE. You do not realize that if you hurt us, you also hurt the girl you protect.

TEMPER. We are one are the same. Go ahead and blast away and then where will you be?

EVERYONE. Why are you doing this? Hasn't this little girl suffered enough in her life? Because she chose to defend herself from others that attacked her, does that make her evil? You are not going to hurt her!

her, as long as there is breath in my lungs, you two are going away forever. Do you understand me? (*EVERYONE swings the Sword of Light to attack.*)

ATLANTIS. Wait! Stop! They don't understand. (*Wounded, SHE gets to her feet.*)

Look , I have grown up and I am no longer that naughty little girl that bit or scratched people or screamed and kicked and threw tantrums. I'm worlds apart from who I used to be and I no longer need you. My rage and temper are gone. You need to come back inside of me and become the love and compassion I know feel for others. (*ATLANTIS stands with RAGE and TEMPER on both sides of HER.*

EVERYONE crosses over to ATLANTIS and holds HER hand. There is a bright glow and RAGE and TEMPER smile at ATLANTIS and then disappear back inside of HER. SHE is now totally healed. EVERYONE hugs ATLANTIS but is interrupted by the TROLL KING dressed up as ELVIS with black wig and Jump suit. HE crosses downstage singing as TROLLS enter the theatre and stage surrounding ATLANTIS and EVERYONE who are now in the attack position themselves. EVERYONE holds the Sword of Light in an attack position and ATLANTIS, along with EVERYONE who now has her full HER enchanted powers back has HER hands up ready to blast.)

ACT 2 SCENE 3

EVERYONE. (*Grabs ATLANTIS out of the way from the approaching KING TROLL.*) Look out! (*ATLANTIS and EVERYONE yell, "GIRL POWER!" and start battling the TROLLS. THEY high five each other and go into battle. The TROLLS are engaged in a Karate style dance surrounding ATLANTIS and EVERYONE center stage Instrumental music plays. The TROLLS surround ATLANTIS and EVERYONE from all sides. The TROLLS are gesturing to ATLANTIS and EVERYONE to "Bring it" During the instrumental music the lights change to a massive slow motion fight scene as EVERYONE and ATLANTIS work back-to-back defeating TROLLS as they stack up behind them. (The SPIDER KING and QUEEN LAKE enter on the highest platform. THEY point the Sword of Darkness down at ATLANTIS and EVERYONE.)*)

QUEEN LAKE. Enough! Playtime's over. It's time to end this! (*ATLANTIS and EVERYONE freeze as the lights black out.*)

ACT 2 SCENE 4

SPIDER KING. Welcome back Princess. Put down your defenses, We have no trouble or beef with you princess. My son told me your purpose.

QUEEN LAKE. Even though we had to get it out of him the hard way. (*Laughing, holding up HER magic potion.*)

ATLANTIS. You leave Prince Cage alone, haven't you tortured him enough?

QUEEN LAKE. Awww isn't that sweet, the princess has a soft spot for our son, well you wouldn't if you see what he looks like now after he became a traitor to us and gave you back your precious Sword of Light! (*SHE hisses at THEM.*)

SPIDER KING. Enough my love, I propose a deal. You both want to save your friends from the Dark Place. I can get you there. All I ask in return is for the Sword of Light in exchange for your friends.

EVERYONE. If he's got both swords he rules the planet. We're all done for.

QUEEN LAKE. Exactly!

SPIDER KING. The Sword of Light for the rescue of your friends from the Dark Place, after their rescued I'll send you all to Green Earth and let you live in peace, under my rule of course.

QUEEN LAKE. What are you doing? That's not the plan. We take over the entire Earth and kill them all!

SPIDER KING. There is no need for killing my pet. A simple deal where everyone lives in peace and we get what we want, they get what they want.

QUEEN LAKE, That is NOT the deal we discussed!

SPIDER KING. SILENCE! I am the king and you will do as I command or would

you rather go to the Dark Place?

QUEEN LAKE. My apologies my king! Of course not. (*QUEEN LAKE is furious but holds it in and smiles.*)

ATLANTIS. And if we refuse your offer? **SPIDER KING**

That would be a shame because then I can just shatter the Sword of Darkness and your friends are gone forever, never to be seen again. You need both swords to open the door to the Dark Place.

SPIDER KING. That would be a shame because then I can just shatter the Sword of Darkness and your friends are gone forever, never to be seen again. You need both swords to open the door to the Dark Place.

QUEEN LAKE. And then I EAT both of you!

EVERYONE. (*Holding up the Sword of Light.*) You can try!

QUEEN LAKE. (*Angry.*) Either take the deal or die!

We will have none of that, my queen, these will be civil negotiations, now what do you say Princess? I need an answer.

ATLANTIS. Okay, it's deal, under one condition.

EVERYONE. You can't do this Princess! He's lying! The minute we step into The Dark Place, he's going to trap us in it forever!

ATLANTIS. (*Smiling really big and staring at the SPIDER KING.*) No he won't because the Spider Kings coming with me to the Dark Place to save my friends and you're staying here with Queen Lake.

QUEEN LAKE. You silly little girl, do you take us for fools?

SPIDER KING. Deal!

EVERYONE/QUEEN LAKE. What!

SPIDER KING. Trust me my queen, I'll explain later. You can't fool a king.

QUEEN LAKE. Or a queen! (*THE SPIDER KING stands the Sword of Darkness into a special slot in the ground point first as does ATLANTIS with the Sword of Light which magically forms a door. THEY both go through it. Before they do The SPIDER KING whispers something to QUEEN LAKE. SHE laughs as the two disappear and QUEEN LAKE is standing eye to eye with EVERYONE the fairy who just waves gently at HER and smiles nervously as the lights fade.*)

ACT 2 SCENE 5

ATLANTIS and the SPIDER KING fall in darkness for quite a while. As THEY fall, they can see and hear evil creatures darting in and out, on top of THEM, and besides THEM. When THEY land, it's with a big thud, in a big pond of black tar.

ATLANTIS. What is this? It feels like we are moving through black glue.

SPIDER KING. Keep moving Princess that black glue is actually the Dark Place, a living creature and it's slowly devouring us. We must keep moving or it will cover our entire bodies and consume us. Quick! Use your enchanted powers and try to blast this stuff off of us before it kills us!

ATLANTIS. Ok let me get my hands free! *(The black ooze has THEM both trapped. ATLANTIS works very hard to get HER hands free, and when SHE does, SHE tries to blast the black ooze off both of THEM, but nothing happens.)*

SPIDER KING. Your enchanted powers don't work down here but I have an idea Princess, You must trust me, because this is a weird thought but its only way out of this.

ATLANTIS. I'm listening.

SPIDER KING. Let the black ooze eat us, stop fighting. We cannot die, because we are already in the Dark Place. It sounds like a weird idea, but I don't think we have a choice because we can't break free.

ATLANTIS. OK here goes nothing! *(ATLANTIS and the SPIDER KING let the black, sticky, ooze eat them. The stage lights black out for a moment as THEY are gone for a few seconds but reappear in another part of the Dark Place, but only ATLANTIS reappears.)* Hey, it worked! We are still alive! Spider King? Spider King? *(SHE turns the corner to see MS. POPPIT who is now a black balloon. SHE is with HOLLOW, PINK, BEAUTIFUL, and EDWARD. THEY all share a huge smile together as the lights fade. The lights fade up on another part of the Dark Place. The SPIDR KING is lost, HE travels down a long tunnel as HE hears someone calling, "Jeffrey". The SPIDER KING turns around and HE is staring directly into the eyes of his father, KING GLORIOUS JAMES.*

SPIDER KING. Get away from me, I have nothing to say to you.

KING GLORIOUS. Jeffrey my son, look what's become of you. Here I find you now, the King of the Battle Lands. You sacrificed everything and anyone you knew or loved to have this evil power. Now you're no better than me, trapped in the Dark Place for eternity

SPIDER KING. You call me by my correct name, I am the Spider King! I haven't been Jeffrey for years, and I will not answer to that name.

KING GLORIOUS. I made mistakes Jeffrey. I should have never blamed you for your mother's death during childbirth, I should have never put Hollow before you

and Edward.

SPIDER KING. And you should have NEVER made Edward king before me! I wanted the throne he didn't. I just wanted your love. Like you loved Edward, Winona, Marie, and Hollow. Was that too much to ask?

KING GLORIOUS. I now realize how much I hurt you. I've had a lot of time to think while I've been trapped down here. I created the evil creature who you are today and I am deeply sorry for that my son. *(The SPIDER KING sings in anguish from below as QUEEN LAKE sings above spying with her magical kaleidoscope. Trolls march in allegiance to Queen Lake. KING GLORIOUS who is now next to HIS son face to face throws out his arms as the SPIDER KING bends down and hugs HIM. THEY hug for a minute as QUEEN LAKE watches from above, each one not wanting to let go, each one crying out the years of pain each had suffered as father and son.)*

SPIDER KING. I love you father.

KING GLORIOUS. I love you, son. *(QUEEN LAKE screams and throws down her Kaleidoscope as the lights slowly fade out.)*

ACT 2 SCENE 6

Back at the castle, QUEEN LAKE has EVERYONE tied up to a pillar downstage.

EVERYONE. I knew you couldn't be trusted. Wait until The Spider King and the Princess find out you broke our deal.

QUEEN LAKE. Not to worry. I no longer need him. He can rot down in the Dark Place with your beloved Princess, his father, and your charming friends. *(SHE picks up the swords removing the door the two swords formed.)*

EVERYONE. What are you doing!!

QUEEN LAKE. I have the two swords; I no longer need the Spider King. He served his purpose. One evil deed with The Sword of Light and the world is mine. That evil deed will be your death!

EVERYONE. He trusted you, even loved you, and you even used him!

QUEEN LAKE. *(Holding the magic kaleidoscope looking through it down to the Dark Place.)* He is weak like the rest of you, making peace with his father in the Dark Place, how pathetic. I see everything, I knew deep inside he was good. It was just a matter of time before he showed his true colors. Will there ever be a man, creature or some living thing I can count on who I can actually fall in love with that is just pure evil like me?

EVERYONE. Are you going to kill me and send me to the Dark Place?

QUEEN LAKE. Oh don't you worry; my army of trolls will devour you in due time.

You see I have preparations to prepare for before I kill you with the Sword of Light and become ruler of the earth. Stay patient my dear, it will all be over quickly. (*SHE exits laughing.*)

EVERYONE. (*The TROLLS sniff EVERYONE gathering around HER licking THEIR lips.*) She said not yet so back off you ugly gross trolls! (*Lights fade.*)

ACT 2 SCENE 7

Lights fade up with more TROLLS now surrounding EVERYONE. SHE is displaying HER Karate moves backing the TROLLS off of HER who are advancing.

EVERYONE. I'm warning you all I know fairy karate and fairy Kung Fu. Oh, and I have this dust that fairies make, and if I throw it on you, guess what happens, melts your face off making you all better looking, so who's first? Who's first? (*ROCKY enters bursting through the group with WEDGY, JOE, and SMOKE, who is still passed out that JOE is carrying.*)

ROCKY. Hello gents, Rocky's my name, and rescuing beautiful fairies is my..., hello lovely. Do you believe in love at first site? (*Kisses EVERYONE'S hand.*)

EVERYONE. Give me a break! Can this day get any WORSE!

ROCKY. (*Showing off*) Who's in charge here? You have a special hat on Mate so I'm guessing you're in charge here?

TROLL KING. Yea so what of it?

ROCKY. I work for the King Spider mate and he sent me here to get this beautiful fairy and bring her back to him.

EVERYONE. SPIDER KING you idiot! Oh geez!

ROCKY. Of course, yes, yes, yes! The Spider King, how quickly I forget! (*HE quickly moves over to EVERYONE kissing HER hand all the way up HER arm.*) After we escape, you and me take a trip to a romantic place...what do you say?

JOE. Joe thinks Rocky like the pretty fairy lady.

EVERYONE. Would you get on with it and save me if that's what you're trying to do here?

ROCKY. Of course my sweets! (*Rushes back to the TROLL KING who grows impatient.*) I'm surprised you don't recognize me colonel.

EVERYONE. He's a King, you idiot!

ROCKY. (*Joe laughs.*) Yes of course, I'm surprised you don't recognize me. I was one of Mr. Spiders um, lead generals, yes that what it was, during the Enchanted Wars long, long time ago. I'm sure some of these boys in his armies remember me. (*Walking around the TROLL ARMY patting backs and shaking hands.*)

Hello fellow mates, good to see you boys again. Keep up the good work, cheerio as they say, I'll just untie this beautiful fairy and we shall all be on our way. (*The*

TROLL KING looks at the other TROLLS look at each other confused. QUEEN LAKE enters.)

QUEEN LAKE. What is going on here?

TROLL KING. My Queen, this strange rock fellow says he was sent by The Spider King to bring the fairy back to him.

QUEEN LAKE. He lies! I've never seen him before in my life; tie him up with the rest of them. I'll kill them all and they can die together.

WEDGY. Wait! My queen, I brought them back to you and found your dragon, Fire like you requested!

QUEEN LAKE. *(SHE looks at SMOKE who is barely hanging on)* That dying dragon has no resemblance of Fire. Tie him up also with them. I no longer have any need for him.

TROLL KING. But my Queen, he's your

QUEEN LAKE. TIE HIM UP with the rest of them or you can join them also! Now one more interruption and I will find me a new Troll King, do you understand!

TROLL KING. Yes my queen! *(SHE exits as the TROLLS tie SMOKE, ROCKY, JOE, and WEDGY to the pillar with EVERYONE.)*

ROCKY. Lucky he tied me up or else I would have shown that Queen Snake a thing or two, been boxing all my life. *(HE shadow boxes.)*

EVERYONE. Riiiiight, Sure you have.

ROCKY. I'm going get you to like me, just wait and see, right after I save us from this mess.

EVERYONE. I don't even know who you are and you suck at rescuing people! You want my attention, impress me and get us out of here.

ROCKY. Joe, if you will? *(JOE breaks the ropes as the TROLL ARMY advances.)*

No worries mate, just going to impress the lady. *(Hands a TROLL KING some money.) (ROCKY blows a kiss at EVERYONE on the cheek and SHE smiles and then knocks HIM out with one punch as JOE falls down laughing as the lights fade.)*

ACT 2 SCENE 8

Lights fade up and QUEEN LAKE is now closing in on EVERYONE, JOE, WEDGY and SMOKE.

QUEEN LAKE. *(Holding up the two swords over HER head. Thunder and lightning is seen and heard.)* Now it is time for you all to die by The Sword of Light turning this planet over to me and ending your miserable lives! *(Laughing)*

ATLANTIS. *(Appearing upstage on a high platform above HER.)* I know one thing can stop you. *(SHE holds the golden acorn SHE once wore around HER neck.)*

QUEEN LAKE. How did you escape the Dark Place? It's impossible you must pass

through the two swords to get out!

ATLANTIS. Not if I have this I don't! (*Holds up the golden acorn.*) This is payback for all the Enchanted ones that can never come back from the Dark Place because they've been consumed by that evil ooze! (*SHE holds the acorn over HER head and shouts.*) Release the acorn far in the sky when all seems lost, and wait for the rain and she will come to save you!!!! (*SHE throws the acorn up in the air, music starts to play and at first nothing happens and then the sound of thunder and lightning. A moment later a hundred acorns fall from the sky and from behind ATLANTIS appears a beautiful woman, QUEEN MARIE SAVIOR, in all white with giant angel wings. Cry of the Valkyrie plays in the background. SHE sings, and as SHE does, Atlantis sneaks behind QUEEN LAKE and grabs the Sword of Light and tosses it to QUEEN MARIE SAVIOR who does a sword battle with QUEEN LAKE during the song. ATLANTIS unties her friends during the fight and watches from a distance.*)

QUEEN LAKE. Queen Marie Savior? That's impossible she dead! (*QUEEN LAKE is pushed back and drops the Sword of Darkness, QUEEN MARIE SAVIOR grabs both swords and stands THEM both on point to make a doorway. Out of the Dark Place comes HOLLOW, MS. POPPIT, EDWARD, BEAUTIFUL THE SPIDER KING, PINK, and KING GLORIOUS.*)

SPIDER KING. It's over my Queen, I will not let you attack or hurt my mother.

QUEEN LAKE. Then die with them all!

ATLANTIS. NO!!!!!!!!!!!! (*QUEEN LAKE grabs the Sword of Darkness and the Sword of Light and stabs the SPIDER KING with both swords as KING GLORIOUS yells, "JEFFREY!" HE is mortally wounded. As the group attends to HIM, QUEEN LAKE stands looking down at everyone, laughing glowing with power as the lights fade.*)

QUEEN LAKE. Who's next? (*Laughing manically-growing in power*)

ACT 2 SCENE 9

KING GLORIOUS. Marie You're alive! (*HE hugs HER.*)

MARIE SAVIOR. Yes but I failed you, I failed you all!

HOLLOW. No. Your spirit helped bring us back from the Dark Place. I failed you my queen when I thought evil thoughts and wished you dead due to my jealousy of you with the King. After you died I placed your spirit in a golden acorn to be unleashed someday when the King or his family would need you, a gift from my enchanted powers. That day is today. I hope you and the King can forgive me.

MARIE SAVIOR. Of course, but how is my son Jeffrey?

ATLANTIS. He's fading fast. We must help him.

QUEEN LAKE. He can return to the Dark Place with you once I destroy you all! Once I finish off the Spider King with The Sword of Light, the evil deed will be done

and you all will return to the Dark Place and I will reign supreme!!!

HOLLOW. The only way to get rid of her is to have the true princess of the Enchanted Lands strike the Sword of Light against The Sword of Darkness.

ATLANTIS. I'll do it, but we have to get the swords away from Queen Lake.

HOLLOW. Atlantis wait! Everyone, the fairy is the true princess of the Enchanted Lands. She must hold The Sword of Light and you, Princess of Green Earth, you must hold The Sword of Darkness. Strike them together and the swords will shatter.

EVERYONE. I'm the princess? A real princess? Really...really...really?

ALL. Two princesses???

MS. POPPIT. She was with us the whole time! We'll I'll be!

ATLANTIS. I'm confused. I thought I was the princess.

BEAUTIFUL (WINONA) You both are, I had twin girls. But we hid that fact from the Spider King and Queen Lake, they never knew. Right after I gave birth to you two I had Edward give Everyone to the fairy kingdom to hide and raise as their own. After I was captured, Queen Lake sent Atlantis to Green Earth and switched her with the Sinclair baby for a son of her own for the Spider King to have as an heir to the throne. We thought hiding Everyone was the best way to protect her from being taken from us and harmed. I'm sorry we never told you. *(SHE hugs EVERYONE.)*

EVERYONE. We're sisters and I'm being hugged by a troll whose my mother? Any other things I should know? Can this get ANY weirder?

HOLLOW. Yes it can and it WILL!

ROCKY. *(Putting HIS arm around ATLANTIS who quickly removes it and moves quickly away. He laughs but nobody likes the joke.)* Double date anyone?

PINK. *(Cradling SMOKE who is fading fast.)* We need to do something quick; Smoke is dying!

WEDGY. It's from the Queen's magic potion. He gave him too much, it's killing him. *(MARIE SAVIOR touches SMOKE and he wakes up and is well again.)*

PINK. Smoke you're alive! I love you; I love you, I love you!!!!!! *(Hugging him tightly)*

EDWARD. Now we have to get those swords back from Queen Lake.

Now die! *(SHE blast electricity bolt at both groups and shocks everyone as THEY all scream in pain.)*

ATLANTIS. *(After being shocked)* What can we do, I can barely move. I'm too weak.

EVERYONE. None of us can. The electricity weakened us all.

HOLLOW. Except Joe, you're the final piece of the trinity, you must believe you're a giant, be the person you were born to be. Only you can defeat Queen Lake and save the world Joe.

ROCKY. You can do it Joe, You're a GIANT Joe. Believe in yourself and IT WILL

HAPPEN! Show that vile creature the giant you REALLY are! (*QUEEN LAKE laughs.*)

QUEEN LAKE. Joe? Joe's going to defeat me. Go run to your mommy little boy, you are no match for me.

MARIE SAVIOR. Joe, you can do it, listen to your mother! YOU ARE A GIANT! Believe in me. Believe in yourself!

QUEEN LAKE. His mother? That's not possible!

JOE. Joe's mommy is lady with angel wings. (*HE runs and hugs HER and then runs to KING GLORIOUS JAMES yelling "Daddy."*)

KING GLORIOUS. Before we had Jeffrey and Edward, Marie was afraid she couldn't have children so we adopted you when you were a baby. Your parents had died during The Enchanted Wars so we took care of you in secrecy so Jeffrey could not harm you.

EVERYONE. Joe's my uncle? Ok you've all been great, goodnight! (*ATLANTIS stops HER from leaving.*)

EDWARD. I never knew. I have another brother as did Jeffrey. Sad he'll never know.

JOE. Joe mad that you killed Joe's brother Jeffrey.

MARIE SAVIOR. Joe we need you. You must believe you're a giant and grow big and strong and help us.

JOE. Joe can't do it. Joe not worth a can of beans to save the day. Joe very weak, Joe no giant. Joe big dummy. (*The blast has faded and now the ENCHANTED ONES are able to move as The ENCHANTED ONES chant "JOE" with the audience as instrumental; music plays in the background. JOE jumps up and down confidence in HILMSELF.*)

QUEEN LAKE. (*Laughing*) Oh this is amusing. You're going to all sing? Build the poor dumb giant with confidence to defeat me. I have to see this. This should be good. (*Each person approaches JOE and give him a boost of confidence.*) (*There is a huge sound of thunder as JOE pulsates changing different colors and then the lights go black and when THEY come back up, JOE is gone.*)

ATLANTIS. He's gone!

MARIE SAVIOR. You killed him. You killed my boy!

QUEEN LAKE. I didn't touch him but who cares he's gone now I can finish the job on all of you and rule my planet once and for all! (*She points both swords at the group.*)

HOLLOW. I don't think so. LOOK!!

EVERYONE. Okay, Now THIS beats everything!

(*THEY all come forward and look out over the audience and look really high in the sky. THEY see JOE, HE is a humungous giant, too big to see but HIS voice is*

powerful and booming.)

JOE. *(In a booming angry voice.)* JOE IS NOW BIGGER AND STRONGER THAN SNAKE LADY. JOE WILL NOT LET YOU HURT HIS FRIENDS ANY LONGER!!

QUEEN LAKE. What are you doing? No don't step on me! NOOOOOOOOO! *(A giant shadow appears over QUEEN LAKE as SHE screams. The light black out and when the lights come back up, QUEEN LAKE is gone. They all celebrate!)*

ROCKY. You did it Joe! She's a goner. You saved the day. Good show Joe!

JOE. *(Booming voice.)* JOE DID GOOD!

HOLLOW. Not quite. The two princesses must hit the swords together and shatter them to close off the Dark Place forever with Queen Lake. The Dark Place is restless, angry, and grows and is a danger to us all and both Earth's unless it's contained and trapped.

EVERYONE/ATLANTIS. Girl power! *(EVERYONE and ATLANTIS pick up the swords and hit them together. THEY shatter with a giant clap of thunder. The lights brighten.)*

HOLLOW. The Dark Place is sealed off and Queen Lake is gone forever.

WINONA. Edward look, I'm no longer a troll. I'm human again.

EDWARD. My beautiful ...wife! *(HE hugs HER.)*

PINK. Marie Savior, and The Spider King are gone.

HOLLOW. Her spirit has returned now that we are safe. *(Hands KING GLORIOUS the golden acorn as HE kisses it and puts it around HIS neck.)*

JOE. *(A booming voice.)* GOODBYE MOMMY, JOE VERY SAD NOW.

GLORIOUS. She'll be here when we need her again Joe, safe and sound.

MS. POPPIT. Wedgy, the Troll King and all the troll armies have also vanished!

HOLLOW. Probably disappeared to the Dark Place with the rest of the evil.

EVERYONE. Now what?

ROCKY. Now you and I go on a date! *(ROCKY puts his arm around EVERYONE and SHE pulls it off.)*

EVERYONE. In your dreams!

ATLANTIS. What do we do now?

KING GLORIOUS. Now my dear friends we celebrate and rejoice for the return of The Enchanted Lands and our two princesses!!*(The PRINCESSES are brought downstage and beautiful crowns are put on THEIR head. THEY lead a procession of the cast in the audience as little audience princesses from the audience with their crowns on can join the procession. Celebration music plays as every dances.)*

ACT 2 SCENE 10

MS. POPPIT. I'm afraid princess of Green Earth; it's time to take you home. Your new parents who are adopting you are waiting.

ATLANTIS. But my real parents Edward and Winona are right here. I am home.

EDWARD. Winona and I have to stay with Everyone to protect the Enchanted Lands. You must go back. Green Earth is your home to protect with your enchanted powers from danger.

HOLLOW. The Dark Place is unstable, angry, and it grows every day. It's more dangerous now that it contains pure evil with the troll army, Queen Lake and the Spider King. The future is still uncertain with its existence still intact. The good news is the door to The Dark Place is closed forever.

GLORIOUS. Jeffrey led us out of the Dark Place. He saved us. He wasn't evil after all.

HOLLOW. But he realized it, too late.

ATLANTIS. I hate to leave you all! It just doesn't seem fair. Goodbye father, mother, I only hope I have parents as wonderful as you on Green Earth.

(SHE hugs WINONA and EDWARD.) Pink you take care of Smoke, you two are the cutest couple ever. *(SHE hugs PINK and SMOKE. SHE moves next to KING*

GLORIOUS and HOLLOW and hugs THEM.) I would like to call you my grandfather but out of respect my King and bow to you. Goodbye Hollow, please look after Joe. He needs guidance and training and you're perfect for that.

ROCKY. What am I chopped liver.

JOE. *(Booming voice)* JOE LIKE ROCKY. HE'S JOE BEST FRIEND. GONNA MARRY PRETTY FAIRY LADY. *(EVERYONE puts HER head into HER hands and sighs.)*

ATLANTIS. Goodbye...um strange rock person I just met?

ROCKY. How about giving your future brother-in-law a hug? *(Whispering in ATLANTIS'S ear.)*

Your sister and I are getting married someday!

EVERYONE. When pigs fly!

ATLANTIS. *(Crying.)* Well sister, I will miss you the most.

EVERYONE. I wish I never started to like you because it's killing me to say goodbye to you.

ATLANTIS. I'm on the other side of the planet. Think of me and I'll do the same with you.

EVERYONE. Count on it! *(They both hug and both and say "Girl Power")*

MS. POPPIT. Princess Everyone will protect Deep Earth and Princess Atlantis will protect Green Earth

MS. POPPIT. It's time. The sun is rising we have to go before we miss our chance.

ATLANTIS. Where will I go? Where will I stay.

MS. POPPIT. You will be placed in Foster Care until you are adopted.

ATLANTIS. Goodbye my friends and family. I will miss you! *(SHE flies off with Ms. Poppit and a moment later see's PRINCE CAGE walking towards the desert dragging a bag. HE has HIS face covered by a hood.)* Prince Cage, up here!

Goodbye!

PRINCE CAGE. You lied to me Princess, you broke our deal, you told me you would not hurt my parents and now they are gone to The Dark Place. I will take the two swords you shattered into pieces to the sorcerer and have him put them back together into one great powerful sword. I don't care how long it takes and then I will release my parents and The Dark Place on this planet and I will have my revenge on you!

ATLANTIS. I'm sorry. I didn't mean for them to die. You must believe me! *(MS. POPPIT floats down with ATLANTIS on a high platform as HE watches PRINCE CAGE walk away in anger. Prince Cage takes off his cloak hood and reveals he is Wedgy, the elf.)* Wedgy! *(Facing each other. Before he leaves as he touches EVERYONES face and glares at ATLANTIS. EVERYONE looks at PRINCE CAGE in an evil sort of way and smiles.)*

MRS POPPITT. Back to Earth with you Princess-No one will even know you were gone! *(MRS. POPPITT snaps HER finger over ATLANTIS head. She waves at EVERYONE who waves back. Blackout.)*

ACT 2 SCENE 11

Back on Green Earth. A case worker runs in to see Atlantis.

MAGGIE. (MS. POPPIT) Your new parents are here. Come on! *(Two familiar faces enter and smile back at ATLANTIS the minute SHE sees THEM; It is EDWARD and WINONA from Deep Earth with different names. Along with THEM is EVERYONE who is dressed in normal clothes named FAY.)* This is James and Wendy Edwards. They are here to take you home; they are your new parents who are going to adopt you. They also have a little girl your age. Her name is Fay.

FAY.(EVERYONE) *(Shaking ATLANTIS' Hand.)* Nice to meet you.

WENDY. (WINONA) You are as pretty as a princess. *(She winks at ATLANTIS.)*

JAMES. (EDWARD) Here we bought you a pink balloon. Look after it so it doesn't float away. Let's get going we have a lot of new adventures ahead of us as a family. *(HE winks at HER. ATLANTIS runs and gives MAGGIE (MS. POPPIT) and big hug. As they exit a boy enters that looks like PRINCE CAGE pets a small snake and laughs. Blackout. End of play.)*
